# DISENTITLEMENT OF WINNINGS

## What is Disentitlement of Winnings?

Individuals who are prohibited from gambling in SIGA and Sask Gaming properties are not eligible to receive any winnings, credits, cash or any other reward from this activity. These winnings, credits, cash, chips or any other reward will be withheld and confiscated

### Who is a prohibited individual?

Prohibited individuals are those who have signed a voluntarily self-exclusion agreement that excludes them from Saskatchewan Casinos, involuntarily excluded from SIGA and Sask Gaming and/or anyone under age of 19 years, those identified as employees of SGA and employees of regulatory bodies that are prohibited from gambling at SIGA Casinos.

#### Why disentitlement of winnings?

Denying excluded individuals the opportunity to win removes one of the primary incentives to gamble and will help deter excluded individuals from entering SIGA and Sask Gaming properties. This also strengthens the terms of the voluntary self-exclusion agreement, which better supports individuals who have chosen to self-exclude from Saskatchewan Casinos.

#### What happens to the disentitled funds?

All disentitled funds collected will be directed to SIGA's community giving program to be distributed to organizations in the communities our SIGA Casinos are located.

#### VSE (Voluntary Self Exclusion) Program

If casino gambling is becoming a concern for you, perhaps it is time to take a break. The SIGA Voluntary Self-Exclusion Program is a resource to assist patrons who believe it is in their best interest to take an extended break from gambling in the casino. Information on this program can be found in the Voluntary Self Exclusion brochure..
