2023 - 2024

SIGA – THE ALL IN STORY

Lights, Camera ... Popcorn!

From SIGA's humble beginnings, opening its first casinos in 1996 in grocery stores and roller rinks, to becoming a provincial player generating over \$300 million in gross revenue, and employing thousands of First Nations across its seven casino properties and Central Office, you will laugh, cry, and root on what has become the ultimate underdog to success story.

SIGA was approached by the North Saskatoon Business Association (NSBA) to be the star for its 9th Annual Popcorn & Entrepreneurship Series. NSBA selects one outstanding locally owned business in Saskatoon each year, with a proven track record of success, to showcase for its Popcorn and Entrepreneurship Series.

SIGA worked with video production company Honey Cut Studios to produce the SIGA "All In" documentary, capturing SIGA's more than 25 years of history and important role that it has played in the province, in pioneering Saskatchewan's casino industry, and paving the way for major employment and economic opportunities for First Nations.

The film premier took place on August 30, 2023, with a reception held at the Remai Modern and the film viewing held next door at Persephone Theatre.

The premier was a sold-out event, with hundreds attending from the Saskatoon business community. SIGA Management and Board of Directors were in attendance, with SIGA President & CEO Zane Hansen doing a fireside chat with emcee, radio personality Brent Loucks, following the viewing.

The event was a success, with positive feedback on the film from the larger business community and from SIGA employees, who later held their own mini premiers at each SIGA General Assembly.

The video is now used internally as part of SIGA's new employee onboarding and available to view by the public at nsbasask.com.

As a First Nations organization employing First Nations people, SIGA has adopted five principles to encourage balance, while incorporating the traditional aspects of First Nations culture. While our five guiding principles are presented here in Cree, there are parallel expressions in the Saulteaux, Dene, Lakota, Dakota and Nakota languages.

TÂPWÊWIN

The principle of Tâpwêwin advocates speaking with precision and accuracy from a business perspective, meaning SIGA must be accountable for its actions and conduct business with integrity, honour and discipline.

PIMÂCIHOWIN

Pimâcihowin stresses the importance of “making a living” and is today’s realization of our First Nations’ treaty relationship. The financial and operational success of SIGA provides the means to exercise a holistic approach to improving the quality of life for our people.

MIYO- WÎCÊHTOWIN

The value of getting along with others is embodied in the word Miyo-wîcêhtowin by conducting our business in a manner that reflects our First Nations hospitality, traditions, and customs. Our heritage is a source of success and a competitive advantage when it comes to fostering good relations with our customers and providing guest satisfaction.

MISKÂSOWIN

Miskâsowin signifies the value of finding one’s sense of origin and belonging. A fundamental goal of SIGA is to bring about this value in a positive way by instilling a sense of pride in ourselves and our province’s First Nations’ heritage.

WÎTASKÊWIN

Living together on the land is the fundamental value conveyed by the word Wîtaskêwin. SIGA’s vision “Sharing Success” speaks to the concept of sharing our land or, in today’s terms, sharing resources. This value directs us to give back to the communities where we live and work.

SIGA operates seven entertainment destinations across Saskatchewan. They are:

SIGA provides first-class entertainment to patrons across Saskatchewan through our seven casino destinations and online gaming and sports betting site PlayNow.com. SIGA Casinos deliver entertainment and excitement, offering slot machines, live table games, electronic table games, live on-stage entertainment and food and beverage services. SIGA employees provide a second-to-none customer service experience, rooted in traditional First Nation hospitality and culture. Under The First Nations Gaming Act, 1995, the Federation of Sovereign Indigenous Nations, formerly the Federation of Saskatchewan Indian Nations Inc. (FSIN), created the Saskatchewan Indian Gaming Authority. Since 1996, SIGA has been incorporated under The Non-Profit Corporation Act, 1995, of Saskatchewan.

As a non-profit organization, 100 per cent of our net income is reinvested into our communities.

SIGA was formed as a non-profit corporation by the 74 First Nations in Saskatchewan with the mandate to create employment for First Nation people, generate positive revenues for First Nations and to partner on economic development projects that benefit our shareholders and communities.

VISION

The leading First Nation organization driving innovation and opportunity in gaming entertainment.

SIGA EMPLOYMENT STATS

1,502 total employees, including those on Leave of Absence (LOA).

[Statistics at the time of writing – March 31, 2024]

**As a non-profit organization,

MISSION

SIGA will deliver a distinctive gaming entertainment experience that reflects our First Nation values. From this we will strengthen the lives of First Nation people through employment, economic growth, positive community relations and financial self-reliance.

**CHIEF
BOBBY
CAMERON**

On behalf of the Federation of Sovereign Indigenous Nations [FSIN], we submit the 2023-2024 Saskatchewan Indian Gaming Authority Inc. Annual Report ending March 31, 2024.

We would like to congratulate SIGA, on rebuilding from the pandemic period and coming back stronger than ever – with record-breaking profits over the past two years. These profits will be redistributed back to our shareholders and reinvested in Saskatchewan. To date, over \$1.5 billion has been paid out by SIGA to our First Nations communities and organizations.

PlayNow.com, operated by SIGA, is the only legal online gaming and sports betting site in the province. SIGA had a positive revenue year operating PlayNow in its first full fiscal year of operations. We look forward to seeing this new business line continue to grow taking over more of the online gaming market share in Saskatchewan in the coming years.

I'd also like to applaud SIGA's long-term commitment to operational excellence in our communities with more than \$50 million marked in casinos and facilities upgrades over the next year, for a revitalization of the SIGA Casinos properties. These investments will help enhance these properties and the casino guest experience. We are especially looking forward to the planned Northern Lights Casino expansion slated for Summer 2024.

When SIGA spends in our community, we further win as this helps support local economic development and First Nation business. In the past year, SIGA supported First Nation business vendors with \$29 million in procurement spending.

All these growth opportunities will further our Inherent and Treaty Right to self-determination through active participation in the economy and fulfilling SIGA's mandate of job creation, economic development, and own-source revenue for First Nations. Thank you to all our Chiefs and councils for your service over the past year, and to SIGA's Board and Executive for your leadership.

Ekosi

Chief Bobby Cameron
*Federation of Sovereign
Indigenous Nations*

It has been an honour to once again serve on the Saskatchewan Indian Gaming Authority's (SIGA's) Board of Directors. On behalf of the Board, I am pleased to present this 2023-2024 Annual Report.

I am proud to be the Board Chair for this exceptional organization, which has served as a north star as a top First Nations organization and employer in the province. SIGA has emerged from the pandemic period stronger than ever after being able to withstand the tightest COVID-related restrictions imposed on any industry in Saskatchewan. The organization has posted record revenue since then and continues to reinvest in communities across the province.

This year's Provincial budget included a \$91.2 million investment which came from the gaming distribution payments they received in part from SIGA revenues to support Indigenous-led social and economic initiatives in Saskatchewan.

SIGA will remain committed to First Nation hospitality in our seven-land based casinos, while evolving our facilities, games, and entertainment offerings to meet the needs of our casino guests. As part of that continued evolution of the organization, SIGA had its first full fiscal year as the operator of Saskatchewan's only legal and regulated online gaming and sports betting site PlayNow.com. Having SIGA, as a First Nations organization, be the sole operator for online gaming in the province, has set us apart from the rest of country and set a national precedent as we extend our inherent right to gaming into the online world.

I also look forward to the planned future expansions at Dakota Dunes Casino on Whitecap Dakota First Nation (outside of Saskatoon) and Northern Lights Casino on Peter Ballantyne Cree Nation (in Prince Albert). These expansions will generate economic activity for our casino development partners and local First Nations vendors during the construction period and lead to greater revenue and employment opportunities at these casinos, which will benefit not only the development partners, but all First Nations communities.

I would like to give thanks to our First Nations Chiefs and Councillors, SIGA employees, management, and the Board for your hard work to continue to fulfill our mission to strengthen the lives of First Nation Peoples in Saskatchewan.

BUILDING A BRIGHT FUTURE FOR OUR PEOPLE

SIGA's gross revenues strengthened throughout the year as customers returned. This resulted in gross revenues matching pre-pandemic levels at \$346.6 million. Coming out of the pandemic, the organization also efficiently rebuilt resulting in strong margin performance that delivered a record distribution of income of \$138.8 million.

When you join SIGA, you soon realize that you are a part of something that is much more than a corporation. Our existence and success are the result of the collective effort of First Nations across Saskatchewan. SIGA's mission is to strengthen the lives of First Nation people through employment, economic growth, positive community relations and financial self-reliance. This year, we made the decision to feature our SIGA employees on the cover of the 2023-24 SIGA Annual Report, because they are the core reason for being. Thanks to the hard work of all our employees over the last 24 months, we've achieved all these outcomes. SIGA has successfully built back from the pandemic, achieving record-breaking revenues over the past 24 months, all the while, making major strides in enhancing our casino properties and growing our online gaming platform PlayNow.com in Saskatchewan.

Our Employees

SIGA has been recognized as a 2024 Saskatchewan Top Employer, and CPHR HR Team of the Year for 2023-24 thanks to our strong human resources programs. SIGA remains laser focused on continuing to be a top employer for First Nations recruitment and development, leading in the areas of Learning & Development (L&D) & Diversity, Equity, and Inclusion (DEI). SIGA was also recently recognized as a WCB Safe Employer Awards finalist for our commitment to a healthy and safe workplace for our employees. In SIGA's last fiscal year, we created 23 brand news jobs in the areas of iGaming, Finance, and Procurement, amongst others. Despite resource constraints, as we build back, we have effectively managed to maintain a workforce of 1,502 employees as of March 2024.

Record-Breaking Profitability

SIGA broke last year's revenue records of \$303.6 million in gross revenue and \$126 million in a final distribution of income, with a new all-time revenue record achievement. SIGA ended our 2023-24 fiscal year with \$346.6 million in gross revenue and delivered a strong margin performance, with a final distribution of income of \$138.8 million. For this we thank you our customers for their continued loyalty and support.

Our Operations

The 2023-24 fiscal year marked an exceptionally successful period for Gaming Operations. We made numerous investments to provide an exciting experience for our customers. The revival of the gaming replenishment program allowed us to provide new slot product, featuring enhanced play and more free spins features, and mystery jackpots.

Online Gaming

Since its initial launch, PlayNow.com has successfully acquired over 30,000 clients. We optimized the registration process to make setting up an account easier for our rural clients. 50% of our customer base now comes from rural communities, outside of Saskatoon and Regina. The high uptake in rural Saskatchewan further cements SIGA as the gambling operator of choice for the residents of Saskatchewan. The iGaming team will continue to develop local partnerships and advertising strategies to further drive awareness of PlayNow in the province and to look to ways to integrate player preference and experiences between our land-based casinos and PlayNow.

Socially Responsible

SIGA is committed to sharing success with the larger community and in 2023-24, we committed \$1.89 million to our Community Investment sponsorship program, a \$600,000 increase over the prior year. In addition, we successfully re-established our employee volunteer program, with over 3,400 volunteer hours being completed and 32% of our employees participating in the program. We awarded over \$55,000 in scholarships to 45 Indigenous students from across the province. In 2023-24, the final three of our seven casinos completed their reaccreditation through the nationally accredited RG Check Program. This certification ensures that we are following an industry standard in responsible gaming.

Looking Ahead

This next year, SIGA will continue on our 5-year Road Map and remain focused on our Strategic Plan pillars with a focus on making smart future investments in our employees, casino facilities, marketing, and reinvesting back into the communities where we operate. These investments will give our players the best possible entertainment experience.

Expansions

Planning has commenced for a number of major SIGA Casinos expansions for the next 2024-2025 fiscal year and beyond.

Dakota Dunes is preparing for a 12,000 square foot expansion that includes an expanded smoke room and interior refreshments for the high-limit gaming and deli areas.

Northern Lights Casino is planning a 30,000 square feet expansion to the gaming floor, smoking space, and logistics support areas. These projects are scheduled to begin in the 2024-2025 fiscal year and are expected to foster growth in each respective gaming market.

In closing, I would like to thank the Board, Management, and our employees for their commitment to the strong performance and growth of SIGA over the past year. Together, we are working towards a bright future for our people.

Regards,

Zane Hansen

TOP EMPLOYER OF SASKATCHEWAN – 2024

SIGA is proud to be named a Saskatchewan Top Employer by Canada's Top 100 Employers. Now in its 19th year, Saskatchewan's Top Employers is a special designation that recognizes employers that lead their industries in offering exceptional places to work.

SIGA commits to fostering a high level of employee engagement by providing a safe workplace, financial self-reliance, and a comprehensive total rewards package for all employees.

To be named as a Saskatchewan Top Employer shows we're being true to our Guiding Principles and providing an environment where employees feel supported in their career and personal growth. We invest in our employees through robust learning and development and health and wellbeing programming, and through advancement opportunities that enable our people to build careers. We thank our employees for their dedication to SIGA and to delivering the best in First Nation hospitality and entertainment.

WCB WORKSAFE SAFE EMPLOYER AWARD

Every year, WorkSafe Saskatchewan recognizes employers that exemplify a strong commitment to the health, safety and wellbeing of their workers, contractors, and customers.

SIGA is proud to be selected as the winner of the provincial 2024 WorkSafe Safe Employer Award during the spring WCB Compensation Institute awards event held in Regina on May 15, 2024. The other 2 finalists were Kingston Midstream Limited and Ledcor Construction Limited.

"In 2017, SIGA was part of WCB's Priority Employer Program with one safety-related professional dedicated to the development, training, and implementation of a comprehensive Safety Management Program for nearly 2,000 employees. Today, we have a Health, Safety and Wellbeing team dedicated to ensuring both physical and psychological health and safety throughout our organization," said Health & Safety Manager Michael Galay.

"SIGA is humbled to accept this award on Treaty 4 territory. At SIGA we live by our guiding principles. Tâpwêwin is linked to our safety culture where from a business perspective, SIGA is accountable for our actions and we conduct business with integrity, honour and discipline," said Vice President of Human Resources Desiree Gervais at the award ceremony. "Our goal is to promote and maintain a safe work environment for all employees, patrons and contractors through our Safety Management Program".

CPHR SASKATCHEWAN – HR TEAM OF THE YEAR

SIGA's Human Resources team was recognized as HR Team of the Year at the Chartered Professionals in Human Resources (CPHR) Annual Saskatchewan Conference. This award is granted to an HR Team that plays a key role in driving the performance and reputation of an organization, are catalysts for organization-wide change, and serve as trusted advisors on organizational strategy. SIGA's HR team remains committed to delivering HR excellence and executing attraction and retention initiatives that strengthen our workforce to support our future needs.

HEALTH, SAFETY AND WELLBEING

At SIGA, we prioritize the health, safety and wellbeing of our people, communities, and the environment. We want everyone – employees and contractors – to return home safe every day. Our goal is to be incident free and sustain top performance in occupational safety against industry benchmark. For over a decade, SIGA has initiated various health, safety, and wellbeing programs to maximize our commitment to a healthy and safe workplace. To achieve this, we developed a new Health, Safety and Wellbeing framework that captures aspects from an Indigenous traditional knowledge perspective.

In the past year, SIGA has rolled out revised Emergency Response & Emergency Continuity Plan training requirements for all employees. Additionally, with Building Back, SIGA's Health & Wellbeing Coordinator positions returned to foster the growth and development of all employees, in a culturally sensitive way, by providing employees with services and referrals that support their engagement and productivity at work. Recognizing the importance of employee wellbeing in achieving organizational success, SIGA is committed to creating an environment that fosters personal growth and development in all aspects of employees' lives while offering many resources and training opportunities.

SIGA's Health & Wellbeing Coordinators have supported our land-based casinos by continuing to revitalize their Cultural/Spiritual Rooms – a designated quiet and welcoming place where employees are welcome to meditate, reflect or pray. These cultural rooms have served as a haven for Elders that routinely visit and provide knowledge, healing and support to our SIGA family.

SIGA, like much of the globe, is experiencing a drastic increase in addictions disability. Our Health, Safety & Wellbeing team has put a priority on maintaining financial and emotional support to all employees disclosing an addiction disability. A rise in addictions disability cases requires a balanced and supportive approach utilizing various internal and external resources to provide the best possible support for our employees.

AN ERA OF CHANGE IN A COMPETITIVE ENVIRONMENT

Employees are experiencing impacts in all areas of their lives, from the acceleration and uncertainty of technological changes to financial, political, and social pressures. SIGA's talent attraction and retention strategies remain top priority in a competitive labour market in Saskatchewan. Continued economic pressures and high turnover rate are reflected in the increased need to balance labor costs.

SIGA's guiding principle of Pimâcihowin stresses the importance of "making a living." SIGA is committed to providing competitive total rewards that allow employees to make a good living today and tomorrow to attract and retain top talent. The year-end performance evaluation cycle resulted in merit wage adjustments. SIGA approved an additional 1.7% economic increase for employees to help offset the rise in costs that our employees and their families currently face.

Targeted recruitment strategies continue for hard-to-fill positions, including Operations Management internal movements, educational partnerships, attending 70 in-person Casino Career Fairs, and the renewal of the Employee Testimonials Recruitment Campaign. SIGA continues to invest in employee development where each employee has core training and the option to apply for additional non-core training up to \$6,000 per year. SIGA has partnered with the Saskatchewan Indian Institute of Technologies (SIIT) to create custom curriculum for our Maintenance and Facilities personnel. The program focuses on providing foundational knowledge in essential trade skills, safety, and basic constructional knowledge. In an effort to support higher learning, SIGA also introduced a new Post-Graduate Studies Program. A key highlight of this program includes supporting management employees to pursue Masters-level learning in support of SIGA's strategic objectives.

DELIVERING ON THE EMPLOYEE EXPERIENCE AND INCLUSIVE PRACTICES

SIGA completed an Employee Engagement Survey where the results were above the industry benchmark. However, to keep a pulse on engagement, SIGA implemented an Employee Experience Committee at most locations. The committee's Vision and Mission is to provide support and guidance for the advancement of SIGA's working environments, by fostering a culture that exemplifies teamwork, inclusivity, and promotes a positive employee experience. The purpose of the Employee Experience Committee is to proactively explore, and address matters related to employee engagement, diversity, equity, inclusion (DEI), cultural awareness and social events and activities.

SIGA has developed a comprehensive HR Toolkit accessible to all employees, which is designed to promote and educate employees on DEI. This one-stop resource offers information and educational materials on various topics, including:

- Supporting Indigenous employees, 2SLGBTQ+, People with Disabilities, and Women.
- Defining intersectionality, allyship, DEI concepts and equitable workplaces.
- Bringing awareness to cultural events and respecting religious, spiritual, and personal beliefs.
- Recognizing and mitigating micro-aggressions, unconscious stereotyping.

In addition to the HR Toolkit, SIGA has launched a "Respectful Workplace" training. This training focuses on key characteristics of a respectful and inclusive work environment, equipping employees with strategies to navigate challenges that may arise in a diverse workplace.

SIGA champions gender equality, achieving 50% parity for male and female employees across all levels. Our commitment extends beyond statistics. For example, at one point this year, four out of seven casino properties were led by female General Managers.

SIGA endeavors to support inclusive practices by providing complimentary feminine hygiene products in women's restrooms for our employees. SIGA also provides designated handicapped parking for employees, customers and suppliers. Properties with shuttle services ensure they're wheelchair accessible.

**OUR
OPERATIONS**

GAMING OPERATIONS HIGHLIGHTS

The 2023-2024 fiscal year marked an exceptionally successful period for Gaming Operations. The revival of the gaming replacement program ushered in the fiscal year, continuing the trend of robust revenues. Additionally, the installation of new slot machines – featuring enhanced hold and play, more free spins features and mystery jackpots – during the latter half of the fiscal year propelled revenues to record-setting levels for the preceding two quarters.

The investment in table games brought new features, enhancements and additional electronic table games to Gold Horse Casino and Dakota Dunes Casino. The introduction of the Auto-Run feature allows the games to operate during non-peak hours, enabling patrons to play tables outside of traditional hours. These games offer lower bets compared to traditional tables, making it easier for new players to learn the games without a large bankroll. Additionally, SIGA updated the electronic table signs at Dakota Dunes Casino, providing a more visually appealing experience and creating a stadium-like atmosphere within the casino.

SIGA made significant enhancements to their Tre Card progressive table game, ensuring an even more thrilling experience for players with the introduction of an extra table, accommodating more players in the pursuit of the large table games progressive jackpot. Now, a greater number of patrons can participate and vie for the coveted prize.

SIGA invested in new card shufflers and electronic card shoes. These modern replacements ensure smoother dealing and contribute to an overall improved gaming experience.

Canada's wide area progressive Power Bucks has made its debut across all SIGA properties, offering an exciting opportunity for patrons to potentially become instant millionaires at any of our SIGA Casinos. This new product introduction solidifies SIGA's position as the premier gaming establishment for creating millionaires in Saskatchewan. With Power Bucks, players can win big, adding an extra layer of excitement to their gaming experience. Whether it's the thrill of the slots or the anticipation of hitting the big win, SIGA continues to provide top-notch entertainment for its valued guests!

SIGA achieved a significant milestone with its first successful Omni Channel promotion. This strategic initiative involved the simultaneous launch of the Light and Wonder slot product across both the iGaming platform and brick-and-mortar casinos to commemorate the Chinese New Year. It captivated players with its innovative features and gameplay. Whether online or in physical casinos, patrons had access to this exciting addition. They could enjoy the innovative slot product regardless of their preferred gaming environment and the timing was perfect, aligning with the festive spirit of the Chinese New Year as players celebrated this auspicious occasion.

This successful promotion reinforces SIGA's commitment to innovation, player engagement, and creating memorable experiences across all channels.

FOOD AND BEVERAGE HIGHLIGHTS

Customer Service

Training food and beverage employees is essential to ensuring high-quality service and guest satisfaction. During the summer of 2023, the Food & Beverage team spent time at each casino and completed in-person customer service training. This training included menu knowledge, food service procedures, customer service etiquette and effective communication skills. The program was well received by the Food & Beverage employees and has had a positive impact on the overall guest experience. In-person and hands on training will continue in 2024, along with the addition of online training videos. These short but effective videos will help support and improve how we continue to interact with our guests.

New Point of Sale (POS)

During 2023, the Food & Beverage department went to market for a new Point of Sale (POS) solution. The implementation of a new POS system will offer numerous benefits. It will streamline operations by providing mobile order taking, improve inventory management and offer remote payment processing for our customers. The new POS will also be integrated into our gaming system that will enable more detailed reporting, improve the ability for us to know our customers and make data-driven decisions that optimize our offerings. This project starts in May 2024 and full implementation will be completed by the end of the year.

New Equipment

During 2023, new hardware was installed in two of SIGA's nine vending machines to allow cashless purchases for our guests. The pilot project was a success and guests have made use of the ability to tap rather than use cash for beverages and snack items. New hardware is currently on order and the remaining machines will be converted to have a cashless option by the end of July 2024.

All casino kitchens now have digitized self-cooking centres. This provides the Food & Beverage department with the ability to preprogram cooking times and temperatures, so they are consistent from casino to casino, as well as providing the ability to offer fresh baked items.

Two new draught beer systems have been installed at Bear Claw Casino & Hotel and Northern Lights Casino, which has provided a higher quality product for their guests and increased their draught sales by 30%.

During the past year, Bear Claw Hotel has converted all their lighting to cost efficient and environmentally friendly LEDs. Their multipurpose room has also had an upgrade to their lighting system to better showcase their local events and banquets.

As food and beverage visitation continued to increase throughout the year, this allowed it to introduce new products. SIGA launched several successful food and beverage events and promotions to enhance the guest experience: an iced coffee promotion throughout the summer, locally-made craft beer in August, a First Nations harvest menu in October, and SIGA's first-ever lobster feast event in November.

FACILITIES REPORT

Facilities

The 2023-2024 was a year of rebuilding for SIGA Facilities, marked by a significant emphasis on future planning through the Master Site Plan program. The initial versions of the Master Site plans were finalized in December, outlining long-term strategies for each of the seven SIGA properties. These plans encompass future visions, the current state of the buildings, a 10-year major capital expenditure plan, stakeholder surveys, engineering reports and the development of cyclical maintenance items, such as carpet replacements and interior refreshes. As SIGA moves forward, the master plan will facilitate the swift advancement of multi-year projects and enable the pre-planning of budgets years in advance.

The Central Office Facilities team successfully installed six Level 3 and nine Level 2 Electric Vehicle Chargers at Painted Hand Casino, Gold Eagle Casino, and Northern Lights Casino. This initiative, spanning a year, followed the announcement of grants from SaskPower's Electric Vehicle Infrastructure Program. SaskPower provided a 75% subsidy for the installation of the EV chargers and awarded SIGA with sufficient support to complete the projects across three sites in the fourth quarter. SIGA has now collaborated with the federal government to secure an additional \$1.86 million to extend the EV charger installations to the remaining four casinos and its Central Office. This expansion will offer an additional amenity to our customers and pave the way for SIGA to develop an electric vehicle fleet in the near future, thereby increasing revenue from additional EV-driving customers and reducing future fuel costs.

In the fourth quarter of 2023-2024, SIGA commenced a sports bar renovation at Gold Horse Casino, with completion targeted for May 2024. This upgrade includes minor modifications to the bar layout, the removal of the existing deli space, alterations to the guest services area and the addition of a large 18-foot screen, akin to the screen at Sevens Sports Bar in Dakota Dunes Casino. The revamped Gold Horse Casino will enhance the current offerings and provide Lloydminster residents with a premier venue for sports entertainment.

Cage Department

This year also marked a significant phase of rebuilding SIGA's Cage Department. The department underwent the necessary procedural reviews and updates to better integrate new technology and systems. Significant procedural enhancements were implemented to streamline the guest experience, boost employee efficiency, and prepare the cage for upcoming technological advancements. Considerable effort was invested in harmonizing the casinos' processes to ensure consistency and readiness for future changes.

Expansion Plans

Planning has commenced for two major casino expansions. Dakota Dunes Casino is preparing for a 12,000 square foot expansion that includes an expanded smoke room and interior refreshments for the high-limit gaming and deli areas.

Northern Lights Casino is planning a 30,000 square foot expansion to the gaming floor, smoking space, and logistics support areas. These projects are scheduled to begin in the 2024-2025 fiscal year and are expected to foster growth in each respective gaming market.

IT/GAMING SYSTEMS
IT/GAMING SYSTEMS

IT/GAMING SYSTEMS HIGHLIGHTS

In the past year, SIGA's IT Division has made significant strides in its technical modernization, with several key initiatives aimed at enhancing service delivery, business operations and IT security.

The Elite Bonusing Suite application was upgraded to complement our Casino Management System (CMS), improving our capabilities in player rewards and loyalty programs.

Our extensive Wi-Fi project culminated in the successful configuration and deployment of 362 Wi-Fi access points across all seven SIGA Casinos. This ensures comprehensive coverage – notably on the casino gaming floors – thereby laying the groundwork for mobile business applications and a more secure, robust Wi-Fi experience for our guests.

SIGA's centralized data centre underwent significant enhancements, including the replacement of key server hardware and a comprehensive refresh of high-availability firewalls across both casino and Central Office data centres. These updates ensure robust security and uninterrupted service, aligning with

our commitment to technological excellence and operational reliability.

On the cybersecurity front, our ongoing initiatives included regular penetration testing, security awareness training and internal phishing tests. Thanks to these efforts, SIGA maintains a phish-prone percentage that is below the industry benchmark, underscoring the effectiveness of our IT security awareness and education programs.

Additionally, three critical operational systems received upgrades this year. Our Single Sign-On (SSO) Strategy was expanded to include three more business systems, which simplifies user access and enhances security. The Technical Services team also carried out a regular equipment refresh and replaced 256 work stations across both casino and Central Office locations, thereby ensuring our technology remains current. This comprehensive approach to IT Management continues to support SIGA's commitment to operational excellence and superior guest service.

BEAR CLAW CASINO & HOTEL

Because it hibernates each winter, the bear is described as the dreamer of the Great Spirit. First Nations people believe that the bear is a strong spirit with healing properties and that the bear is self-sufficient standing on its own two feet.

Bear Claw Casino originally opened in 1993 on the White Bear First Nations, near Carlyle. It was soon shut down in what was a highly contentious and emotional part of history between First Nations and the provincial government regarding gaming in Saskatchewan. The casino re-opened in November 1996 and has been successfully operating ever since. It later added a hotel.

DAKOTA DUNES CASINO

Dakota Dunes Resort & Casino is one of SIGA's largest properties. The casino is located on the historical Whitecap Dakota First Nation lands, south of Saskatoon, at the height of the South Saskatchewan River Valley Basin. Featuring an award winning design that artistically captures the natural rolling hills, wild grass and dunes found in the region. Whether you are looking for a weekend retreat with friends and family or a business getaway, Dakota Dunes Resort offers everyone world-class hospitality and an unforgettable, authentic Indigenous experience. The casino opened operations in August of 2007.

CHARLES RYDER
Dakota Dunes Casino General Manager

DAKOTA DUNES CASINO HIGHLIGHTS

- Dakota Dunes New Year Pow Wow was held January 5-7, 2024, at the SaskTel Centre in Saskatoon. The pow wow was a success hosting singers and dancers from all over North America.
- Back of house refresh: Updated board rooms, employee dining room, cultural room, administration offices and main areas.
- Dakota Dunes Casino has created a great alliance and partnership with Dakota Dunes Resort hotel, which has increased revenue for the casino. As the resort hosts conferences throughout the week, the casino becomes busier on what would typically be a slower day. People staying at the resort over the weekend for hotels or banquet events also attend the casino.
- Sevens Sports Bar has made Dakota Dunes Casino a destination to watch sports on the big screen, as patrons can watch regular season and playoff games from the NHL, CFL, NBA, MLB and NFL. The number of visitors attending to watch UFC fights has grown. All of this has resulted in increased revenue and traffic.

NORTHERN LIGHTS CASINO

Dancing and lighting up the evening sky with colored brilliance, the northern lights are the casino's namesake and are thought to be spirits of past generations – departed relatives and friends dancing in the night.

The Northern Lights Casino officially opened its doors in March of 1996. Since then it has become one of the primary entertainment destinations in western Canada. Located in Prince Albert, also known as “The Gateway to the North,” the Northern Lights Casino is another one of SIGA's flagship properties, boasting hundreds of slot machines and the excitement of 15 Live Table Games. The facility offers a large gaming floor and the renowned North Star Restaurant.

PAINTED HAND CASINO

The red painted hand represents courage and honour. To demonstrate their superiority, young warriors would charge their horses into the enemy, touching and imprinting their painted hands on the enemy or the flanks of their war ponies.

Since opening on December 14, 1996, the Painted Hand Casino has become east-central Saskatchewan's number one entertainment attraction. Tourists and area residents are offered a unique entertainment experience by way of traditional First Nations hospitality and service. With over 300,000 guests annually, the casino offers a wide array of entertainment options including all your favorite slot machines and electronic game tables. Located in Yorkton, the casino opened in December 1996, the last of four SIGA Casinos to open that year.

IGAMING HIGHLIGHTS

SIGA provides Saskatchewan players with online gaming through the PlayNow.com platform. The site is the province's only regulated online gaming platform, providing customers with a safe and reputable site that features robust responsible gaming tools. This market performance report covers the first full year of PlayNow.com's operations.

LIVE DEALER AND GAMING REVENUE BY QUARTER

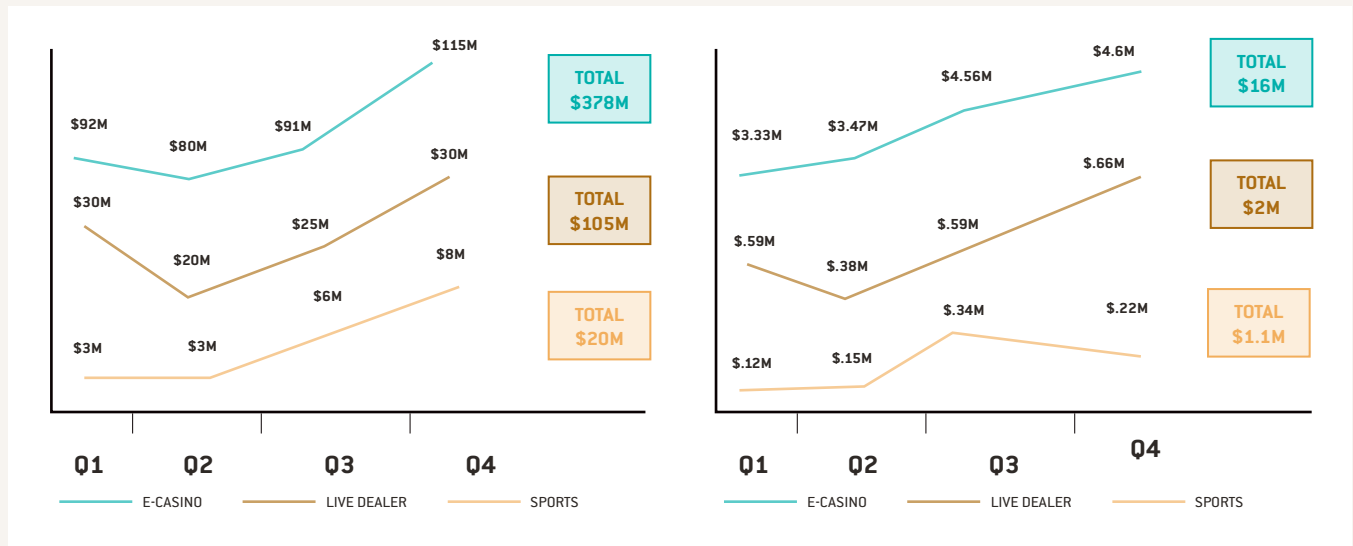

- Total wagers in Q4 were \$151 million. The 2023-2024 year ended with \$503 million in total wagers, setting a solid baseline for us to measure our future growth against. This figure does not include promotional wagers (bonuses).
- Total gross gaming revenue in Q4 was \$5.51 million. The 2023-24 year ended with \$19.1 million, surpassing our budgeted revenue. This figure does not account for operating costs or other liabilities.

“With \$503 million in wagering and \$19.1 million in gaming revenue, the first full fiscal year of PlayNow's operations has surpassed our expectations. We look forward to continuing to grow the platform and providing world-class gaming entertainment to the citizens of Saskatchewan,” says SIGA Director of iGaming, Michael Bellegarde.

“As the market matures into its second year, I will strive to capture more market share from illegal operators so that the citizens of Saskatchewan can enjoy online gambling knowing that their personal and financial information is safe and secure.”

LIVE DEALER AND GAMING REVENUE BY CATEGORY AND QUARTER (APRIL 1, 2023, TO MARCH 31, 2024)

Since its initial launch in November of 2022, PlayNow.com has successfully acquired more than 30,000 clients. We optimized the registration process to make account creation easier for our rural clients. Accounts can now be created using a biometric scan of the player's face and matching that image with a scan of their

identification. In contrast to our colleagues in Manitoba and British Columbia, 50% of our customer base comes from rural communities, areas outside of Saskatoon and Regina. The high uptake in rural Saskatchewan further cements SIGA as the gaming operator of choice for the residents of Saskatchewan.

The SIGA iGaming Team has worked hard to develop local partnerships that create brand awareness throughout Saskatchewan. Its first partnership was with the local professional lacrosse sports team, as the official Online Gaming Partner of the Saskatchewan Rush Lacrosse Club.

Other PlayNow.com awareness campaigns included:

- Multiple assets in SaskTel Centre that are displayed all year round.
- A partnership with the REAL District in Regina.
- A robust digital ad campaign that targets rural areas of the province.
- Advertising on Saskatoon and Regina city transit buses.
- A partnership with the popular watering hole, Sports on Tap.

MARKETING
AND PROMOTIONS

In 2023-24, SIGA Marketing continued to engage with our loyal customers, offering a diverse selection of promotions such as live performances, prize draws, tournaments, contests, and special events. These initiatives aimed to elevate the guest experience and reaffirmed SIGA Casinos as the top choice for entertainment in our province.

This past year, SIGA Casinos proudly:

- Welcomed more than 24,000 new Players Club Members
- Sent more than 376,000 unique reward offers to qualifying members.
- 50,000 members entered almost 500,000 times into prize draws through our in-house reward kiosks. More than \$1.4 million in prizes were awarded to the lucky winners.
- Entertained more than 7,500 guests who attended 29 performances.
- Celebrated casino anniversaries.
- Partnered with 49 hotels across the province to offer Stay and Play packages.
- Grew our social following to almost 80,000 and welcomed over 3,900 new followers on our SIGA social media channels.
- Sent more than 1.27 million emails with information on special offers and events at SIGA Casinos.
- Treated our elite members to exclusive parties and events.
- Mailed unaddressed offers in May, October, and January to more than 242,000 households.

EXCITING PROMOTIONS

Many fabulous and exciting promotions took place at all SIGA Casinos, including chances for guests to win vehicles, trips, cash and more!

In September, a guest from Regina became an instant millionaire by taking a spin on SIGA's exclusive Smoke Signals Mystery Progressive and taking home over \$1.49 million. SIGA also awarded our Tre Card Stud Jackpot in February when a guest won over \$172,000. Our Rider Nation jackpot also continues to be a hit with guests.

ENTERTAINMENT AND EVENTS

Throughout the 2023-24 fiscal year, SIGA hosted entertainers including:

- Creedence Clearwater Remembered (CCR tribute).
- Hotel California: The Original Eagles Tribute.
- Trilogy (Tribute to Simon and Garfunkel, John Lennon and Paul McCartney, Billy Joel and Elton John).
- Rollin' on the River: Tina Turner Tribute.
- Decades Music NYE Party with Studio 54 band/ Groove Marmalade band/ Disco Fever band.
- Men Without Shame.
- Barracuda Heart Tribute.
- Mountain Music Alabama Tribute.
- Bakersfield.
- Australia's Thunder From Down Under.

We also serviced our loyal Players Club members with a 10 per cent pre-sale discount on all entertainment events.

CORPORATE SOCIAL
RESPONSIBILITY (CSR)

COMMUNITY INVESTMENTS

In 2023-2024, SIGA focused on increasing awareness and building a positive brand reputation, which it continues to enjoy across Saskatchewan. There was a focus on strategic communications, maintaining a targeted approach to our community investments' initiatives and the ongoing development and implementation of SIGA's Corporate Social Responsibility (CSR) strategy.

SIGA has played an instrumental role of supporting hundreds of community events, fundraising initiatives, and programs each year. In 2023, SIGA invested \$1.89 million to more than 580 partners through its Community Investments Program (sponsorships), providing strong support to community and cultural events across Saskatchewan.

These community events and programs greatly benefit the local communities and contribute to the province's economic activity through sponsorship of events such as powwows, children, youth and elder events, cultural events, community schools, sporting events, conferences, tourism initiatives, environmental programs, and sponsorship of youth in major athletic events such as the Tony Cote First Nations Summer and Winter Games, North American Indigenous Games (NAIG) and the Special Olympics.

Some of SIGA's more significant Community Investments for April 1, 2023-March 31, 2024

- \$125,000 to James Smith Cree Nation for the 2023 Tony Cote First Nation Winter Games.
- \$100,000 to Team Sask. for North American Indigenous Games (NAIG).
- \$100,000 to FSIN Cultural Celebration Powwow.
- \$100,000 to Jim Pattison Children's Hospital through Synergy 8 Drive for Kids (to purchase a portable pediatric MRI).
- \$100,000 to the Saskatoon Tribal Council for their Emergency Wellness Centre.
- \$50,000 to Wanuskewin Heritage Park for a "Cultural Support Enhancement: Wanuskewin Ready to Welcome the World, UNESCO Campaign."

GREEN INITIATIVES

SIGA has begun to implement a number of Green initiatives. SIGA's Environmental Plan is to Reduce, Reuse, Recycle (3R's) which includes:

- Recycled Oil Program - repurposing for biofuel, animal feed, shampoo and cleaning products. In 2023-24 SIGA recycled 26,780 liters of used cooking oil.
- Water bottles – move from plastic to aluminum.
- Paper Utilization - monitoring usage.
- Utility Reporting – DDC Utility Monitoring pilot project– real time data (benchmark measures) other casinos manually monitoring utility usage.
- EV Chargers being installed at all SIGA Casinos and Central Office.
- HVAC and LED light replacement project.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

FOOD SECURITY STRATEGY

As part of SIGA's Community Investments Program, SIGA dedicated \$225,000 as part of its Food Security Strategy. Corporate Affairs partnered with each SIGA Casino in SIGA's seven casino markets across the province, to present cheques to their centre's local food banks and food programs.

"Partnering with food banks and tackling food security-related issues in the province is front and centre in terms of community funding priorities," said Vice President of Corporate Affairs Pat Cook.

With the rising costs of food and other inflationary costs, the food banks and programs were very appreciative with many of them noting at least a 25% increase in demand for their services.

"We are seeing and hearing firsthand many accounts of families struggling right now, with the rising costs of living and groceries, and we want to be able to step up and provide that additional support that many families in Saskatoon and area are needing right now," said Dakota Dunes Casino General Manager Charles Ryder.

The Saskatoon Food Bank & Learning Centre, one of the donation recipients, noted for their Food Bank, they serve approximately 23,000 people monthly with 41% being children.

SIGA RIDER GAME DAY

In addition, SIGA Corporate Affairs provides support to hundreds of community fundraisers, youth and cultural events and programs across the province. We provide 300 youths with tickets to see the Saskatchewan Roughriders play in the annual SIGA Rider Game Day, part of the SIGA Corporate Relations program.

The youth came from across Saskatchewan and were treated to a pizza lunch and SIGA gifts, in addition to being SIGA's special guests for the SIGA Rider Day game. For many of them, this was their first time attending a professional CFL game.

SIGA CHARITY PANCAKE BREAKFAST

SIGA continues to be a community builder, hosting events such as the annual SIGA Charity Pancake Breakfast which raised more than \$27,000 for the White Buffalo Youth Lodge (WBLY) in 2023. This event raises much needed resources for the WBLY.

It also brings together community leaders and hundred of community supporters in Saskatoon under one roof for this great charity event. More than 700 breakfasts were served throughout the morning.

SIGA VOLUNTEER PROGRAM

SIGA has a very active and engaged employer supported Volunteer Program, with SIGA employees volunteering thousands of hours each year in their local communities. SIGA Volunteers can be seen throughout the year in their communities lending a helping hand to many community organizations.

This year, SIGA Casinos and Central Office volunteers hosted free community barbeques, held food drives for local food banks, prepared meals and served at soup kitchens, built food hampers, and participated in community cleanups.

Volunteers also supported the annual SIGA Day of Sharing by partnering with a local non-profit or charity to provide them with volunteer support and materials to grant that partner a wish. SIGA encouraged and participated in cultural events like Orange Shirt Day (National Day for Truth & Reconciliation on Sept. 30th), Red Dress Day (MMIG2S Awareness Day on May 5th), and National Indigenous Peoples Day (June 21st).

MOVEMBER

Throughout Movember month (November), SIGA Casinos and Central Office held events like taco sales, bake sales, razor races, jellybean counting contests, mustache sales, “Be Seen in Jeans Days”, “Move for Movember,” mental health walks, raffles and of all things, pie in the face, with a wrap up “Shave Off” event on December 1, 2023, at Dakota Dunes Casino.

More importantly Movember raised employee and public awareness around men’s health issues including prostate cancer, testicular cancer, and mental health. By talking about these issues, we broke down barriers and encouraged open conversations in a supportive and safe space for everyone.

Together SIGA Casinos and Central Office raised \$15,068.05 (this includes SIGA’s corporate matching donation of \$5,000)!

A special mention to the SIGA Health & Wellbeing Coordinators Amber Bellegarde and Lavonne Lariviere for their contributions and to all the site team captains for coordinating and engaging their teams. Thank you again to all sites for your engagement and participation!

SIGA SCHOLARSHIPS

SIGA is committed to empowering the next generation of Indigenous leaders and upcoming workforce through its SIGA Indigenous Scholarship Awards Program, which provides more than \$50,000 in scholarships to Indigenous post-secondary students across the province.

In 2023, SIGA's Scholarship Program awarded \$55,000 to Saskatchewan Indigenous post-secondary students. These awards were distributed through three scholarships:

- SIGA Justice Paul Favel Indigenous Award for Outstanding Leadership in Community Involvement.
- SIGA Scholarships for Saskatchewan First Nations Post-Secondary Students.
- The Shauna Bear Memorial Scholarship for Aspiring Indigenous Human Resources Professionals.

The family of the late Shauna Bear, former SIGA VP of Human Resources, contributed \$5,000 to the scholarship in her name. In total, there were 388 applications received. In total, there were 45 Indigenous students from across Saskatchewan provided with \$55,000 in scholarships.

On September 21, 2023, SIGA held its Scholarship and Networking Event to honour and recognize SIGA Scholarship Award recipients and build bridges with Indigenous students.

RESPONSIBLE GAMING

SIGA strives for a balance between offering great entertainment experiences and encouraging Responsible Gaming by continuing its focus on the Responsible Gaming (RG) GameSense Program. Player health and managing risks are the primary focus for RG messaging. Our RG Strategy continues to focus on player health and employee knowledge.

SIGA is committed to maintaining best responsible gaming practices. Bear Claw Casino and Hotel, Gold Eagle Casino and Painted Hand Casino received their RG Check accreditation from the Responsible Gambling Council of Canada in 2023-2024. Dakota Dunes Casino, Gold Horse Casino, Living Sky Casino, and Northern Lights continue to maintain their RG Check Accreditation through their annual check in.

RG Check is a national accreditation program created by the Responsible Gambling Council (RGC), which is based on the RGC's Responsible Gambling Index (standards). The RG Check Accreditation program offers gaming companies the opportunity to have an independent endorsement of the quality of their RG Program.

The RG Check provides assurance to our patrons, employees, and the community that as a casino organization we meet or exceed the national Responsible Gaming standards. Achieving this accreditation shows SIGA's culture of providing quality

Responsible Gaming services and best business standards when it comes to our players, our employees, and the public. SIGA continues to research the best business practices to improve upon its Responsible Gaming Program and to ensure we continue to meet industry standards.

This year, we had SIGA Responsible Gaming brochures and radio commercials translated into Cree and Dene. Translating these brochures and radio advertising into two of Saskatchewan's Indigenous languages, was part of SIGA's commitment to providing accessible and inclusive Responsible Gaming information.

Other Responsible Gaming (RG) initiatives included player events, which took place, at SIGA Casinos, throughout the year. Patrons took part in fun games involving Responsible Gaming topics, such as myth busters, random game play and player's health. The guests and employees enjoyed taking part in the RG events.

The SBC Canadian Gaming Summit held in June 2023, awarded SIGA the First Nations Award for Innovation. This award recognizes a First Nation(s) who has implemented innovative technology and/or ideas in their gaming space. The 2023 First Nations Canadian Gaming Innovation Award was given to SIGA in part due to the work done demonstrating social responsibility for the communities we operate in, including our commitment to safety in gaming and player's health.

STRATEGIC PLAN OVERVIEW

SIGA's strategic plan focuses on developing an intimate relationship with customers and offering products and services to those customers that increase revenue, income and employment. Using the balanced scorecard methodology, SIGA has developed strategic objectives and initiatives. For each strategic objective, we have established performance measures and targets. For strategic projects, SIGA has designated a member of the Executive team to act as project sponsor and established milestones to track the progress of the initiative.

SIGA has developed its strategic plan using the Balanced Scorecard model to look at our business from the viewpoint of owners and customers to determine what products and services we must offer and what key business processes satisfy customer needs. The model allows SIGA to demonstrate how our employees are supported to meet customer needs by the organization's investments in developmental educational programs and technology.

The balanced scorecard report represents SIGA's progress against enterprise level strategic objectives. The scorecard is built off the enterprise strategy map which sets out performance objectives across four key perspectives:

- Shareholder
- Customer
- Internal Business Process
- Employee

After 3 years of disruption and uncertainty, 2023-24 was a year where we could plan with greater certainty and our focus was on key reinvestments in our people, business processes and infrastructure.

2023-24 presented a dynamic environment with elements of change, risk and opportunity. Our business plan was structured around pillars that will best position SIGA to meet new challenges and move forward in a new environment.

Coming out of the pandemic we continued to experience the new reality of a competitive and demanding labor environment. This new reality required SIGA to keep a steady focus on the value proposition we provide our employees in terms of total rewards, learning investments and engaging employment experience.

Another post pandemic reality has been a shift in consumer behaviors across our industry. We have been very pleased to see our core customers return however it was only in the latter part of 2023-24, before we saw visitation from casual customers resume. In 2023-24 our plan was to elevate our investments in the customer experience to broaden and strengthen our customer appeal. With investments in a capital budget of \$8.9M, product reinvestment of \$13.9M and increased marketing programming relative to recent years. Longer term efforts will focus on elevating customer environment through major capital refresh plans.

2023-24 brought a significant shift in how the province oversees gaming. The launch of Lottery & Gaming Saskatchewan (LGS) now carries out the managerial oversight of all forms of gaming – replacing the roles previously carried out by three separate government ministries. SIGA's operating agreement relationships will now be with LGS while SLGA solely undertakes regulatory responsibilities. LGS represents a logical evolution for the gaming industry in SK and potentially opens the pathway for further scale growth in the gaming sector. Operating seven of nine casinos and the province wide online and sports platform, SIGA is naturally positioned to take on further operational responsibilities. To ensure we are prepared for growth, our 2023-24 plan included key technology investments that are both modern and scalable. Examples include an Enterprise Resource Planning (ERP) system for our Finance and HR functions, Point of Sales (POS) system for our Food & Operations and applications that enhance how we serve and understand our customers.

The launch of PlayNow.com in November of 2022 brought an exciting new channel with many new customers. SIGA's PlayNow team has done an excellent job building the market through awareness, acquisition and learning. In 2023-24 SIGA continued to focus on the development of PlayNow's customer base through enhanced marketing capabilities and partnerships with other gaming stakeholders in Saskatchewan.

Building on the momentum of 2022-23 and as a result of measured reinvestments, SIGA had another record breaking year in 2023-24, achieving a final distribution of income of \$138.8M, up \$12.8M over the prior year. This bottom line growth can be attributed to a year-over-year growth on the casino side by \$7.8M and with \$4.9M on the online gaming side. This was supported with strong consumer confidence in spend and favorable economic conditions bringing our top line overall growth up 12% year-over-year.

SIGA will be embarking on a significant capital reinvestment in the casino facilities in 2024-25, along with enhancing our investment in our digital technology to support the business and strengthen the company into the future.

Observations on prior year actual performance relative to target is as follows:

SHAREHOLDER PERSPECTIVE

What are the outcomes expected by our owners?

STRATEGIC OBJECTIVES	PERFORMANCE INDICATORS	MEASURES / PROGRESS / RESULTS
Optimize Net Income	Net Income	Monthly revenue performance continued to gain strength throughout the year to a point where full year revenues reached pre-COVID levels. When combined with significant streamlining measures and a higher customer focus on electronic gaming, net distribution of income of \$138.8M far exceeded the original budget of \$108.8M.
Grow and Develop First Nations Employment	Percentage of First Nations Employees	Labor conditions continued to be challenging in 2023-24 as recruitment remained stringent and the war for talent heated up alongside Saskatchewan's resource economy. Based on this the annual target was set at 65% for 2023-24. Despite tough conditions SIGA managed to maintain a FN average of 65 % for the year.
Support First Nation Economic Development	Total Payments to First Nations Companies	Target was raised to \$26M for 2023-24. Actual spend came in strong at \$29M exceeding target and max.

CUSTOMER PERSPECTIVE

What are our customers looking for?

Our strategy is 'customer intimacy.'

STRATEGIC OBJECTIVES	PERFORMANCE INDICATORS	MEASURES / PROGRESS / RESULTS
Entertainment Experience	Percentage who rate casino top destination in community	This rating captures the % of customers that consider SIGA Casinos to be the top entertainment destination in their market. Historically this measure trended around 20% and the target was set at 23% based on favorable ratings in prior year. Actual survey ratings were still very positive at 22.4% which is slightly below target but above the threshold level of 20.7

STRATEGIC OBJECTIVES

PERFORMANCE INDICATORS

Casino Operations Accountability Report

MEASURES / PROGRESS / RESULTS

The Casino Operations Accountability Report (COAR) is an enterprise wide report and is designed specifically to identify risk at the sites in regards to safety and security. The overall average of the COAR report for 2023-24 was well above target of 85% finishing the year at 94.3%.

INTERNAL PERSPECTIVE

What services do we need to provide to excel?

To achieve our desired outcomes, SIGA will focus on several business process enhancements that are grouped in three primary themes: Customer Service Excellence, Innovation and Growth and Organizational Excellence.

STRATEGIC OBJECTIVES

Know The Customer

PERFORMANCE INDICATORS

Percentage of Player Club Revenue

MEASURES / PROGRESS / RESULTS

Measure is based upon the % of slot revenue that comes from carded play which gives us a stronger customer relationship.

Target was set at 55% as we expected the carded requirement to enter our facilities during Covid would sustain elevated carded play levels.

Actuals came in just below target at 53.7% which is well above the threshold rating.

Operational Efficiency

Margin Percentage

Another key efficiency measure that shows the level of net income derived from each dollar of revenue.

Based on budget, "Net Inc / Gross Rev" target was 39%.

Similar to other financial measures, actual results came in much stronger at 44%.

Social Responsibility

CSR Index Rating

This measure is based on a public opinion survey conducted by a third party analytics company.

CSR scores are up in 2023-24, improvements were noted across all attributes this year contributing to a lift in CSR mean score.

Target of 3.5 was set for 2023-24 based on historical trend lines with the actual result coming in at 3.5.

EMPLOYEES

Our most important resource is our people.

One of SIGA's founding mandates is to grow and develop First Nation people. SIGA is committed to the career, training and development of our employees and believe it is a critical factor in achieving our strategic business goals and objectives.

STRATEGIC OBJECTIVES

Inclusive & Diversity

PERFORMANCE INDICATORS

Diversity Ratio [% Female]

MEASURES / PROGRESS / RESULTS

Target set at 50% female representation in SIGA's workforce.

SIGA maintained a Female % average of 50.2% for 2023-24

Engaged Workplace Culture

Employee Engagement Score [%]

Measure based on the annual Employee Engagement Survey (80 questions) conducted by McLean and Company.

The target was set at 67% based on the prior year Pulse Survey results of 67.1%. The Pulse survey was a condensed sample (20 questions) of the full survey that was completed in 2022 where SIGA had a result of 66.6%.

SIGA attained a solid rating of 64.4% for 2023-24, a slight dip from 2022, still above the McLean's industry benchmark of 62%.

This year had an 80% response rate up from prior year.

SIGA will continue with the practice of following up with plans relative to survey findings.

At SIGA, business risk is defined as the degree of exposure associated with the achievement of key strategic, financial, organizational and process objectives. Principal risks and uncertainties that could affect SIGA's future business results going forward are of primary concern.

RISK MANAGEMENT GOVERNANCE STRUCTURE

Although the SIGA Board is ultimately accountable for overseeing risk management within SIGA, as a whole it has assigned responsibility to the Audit and Finance Committee to oversee SIGA's risk assessment and risk management processes. SIGA senior executives are responsible for ensuring key business risks are identified, defined and prioritized. Executive risk owners are engaged and charged with risk mitigation within limits established by the SIGA Board of Directors. This data is compiled in a corporate risk profile that is reported to the Audit and Finance Committee on a quarterly basis. Results of the quarterly risk and control assessment are incorporated into the strategic planning process. There are a range of factors that may affect SIGA's results.

Principal risks that could negatively affect our results and performance include:

Strategic Risks

Reputation Risk

We recognize damage to reputation as the most severe risk SIGA faces. Our efforts to mitigate reputation risks include continual building of goodwill by effective communication with stakeholders and shareholders, commitment to sustainability, transparency, leading-edge corporate governance and best practices.

Economic Slowdown

Changes in the economy impact the amount of disposable income people have to spend on entertainment, resulting in reduced gaming revenues. SIGA monitors the external environment and the individual performance of each property. The increase in interest rates and inflation in the external environment can impact gaming spend and SIGA's cost base.

Financial Risks

Liquidity Risk

The risk that SIGA is unable to meet our financial commitments as they become due or can only do so at excessive costs. SIGA manages our cash resources based on financial forecast and anticipated cash flows.

Theft of Assets

We recognize the extreme importance of maintaining strong controls over the safeguarding of cash and cash equivalents as specific to the gaming industry. SIGA manages these risks through the design of internal controls.

Organizational and Process Risks

Risk with Loss of Key Personnel

SIGA recognizes the impact to the organization should there be a loss of key personnel. Executive and senior management succession plans are in place to mitigate the impact of such a loss.

Information Risk

SIGA recognizes information for decision making requires accurate, complete and timely reporting of financial and operational performance. SIGA manages these risks through continual evaluation of internal controls over financial reporting for new and existing systems.

Regulatory Risk

SIGA operates in a highly regulated environment. In addition to general operating regulatory requirements, SIGA is required to comply with Financial Transactions and Reports Analysis Centre of Canada (FINTRAC) guidelines.

Public Health Order Risk

SIGA operates in a highly regulated environment with its doors open to the general public. In addition to gaming regulatory requirements, SIGA is required to comply with any public health order under The Public Health Act to address measures to reduce the risk of the concern.

TO THE MEMBERS OF THE SASKATCHEWAN INDIAN GAMING AUTHORITY INC.

Opinion

We have audited the financial statements of the Saskatchewan Indian Gaming Authority Inc. (“SIGA”), which comprise the statement of financial position as at March 31, 2024, and the statement of comprehensive income, statement of changes in surplus and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information [collectively referred to as the “financial statements”].

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of SIGA as at March 31, 2024, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (“IFRS”).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards (“Canadian GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of SIGA in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Restated Comparative Information

We draw attention to Note 22 to the financial statements, which explains that certain comparative information presented for the year ended March 31, 2023 has been restated. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing SIGA’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate SIGA or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing SIGA’s financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SIGA's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on SIGA's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause SIGA to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. GENERAL INFORMATION

Saskatchewan Indian Gaming Authority Inc. ("SIGA") is incorporated under the Non-profit Corporations Act, 2022 of Saskatchewan as a Charitable Corporation. Class A Memberships in SIGA are owned by the Federation of Sovereign Indigenous Nations ("FSIN") and each of ten Tribal Councils in Saskatchewan that are recognized by the Saskatchewan Indian Gaming Commission of the FSIN, as well as one independent member. The Government of Saskatchewan (the "Province") and the FSIN completed a Framework Agreement in 2002 that authorizes SIGA to operate casinos. SIGA operates seven casinos in accordance with the 2002 Casino Operating Agreement ("Agreement") with Saskatchewan Liquor and Gaming Authority ("SLGA"). SLGA is responsible for the overall conduct and management of the slot machines in those casinos as required under The Criminal Code of Canada. Under the Agreement, SIGA is entitled to withhold the casinos' operating expenses, incurred in accordance with the operating policies and directives approved by SLGA, from slot machine revenues. SIGA is required to deposit the remainder into a trust account for SLGA in accordance with the procedures and formulas specified in the Agreement as outlined below. Under the Agreement, SIGA is entitled to recover, in any year, any net loss from the operation of licensed table games and ancillary operations from the net income earned from the operation of slot machines. The Agreement provides for SIGA to use any net income from the operation of licensed table games for charitable or religious objects or purposes. The Agreement expires on June 10, 2037. The Agreement also provides for SIGA to remit to SLGA the net income from the operation of the slot machines in the SIGA casinos. More specifically, net income from the operation of slot machines is remitted to SLGA in accordance with a formula as defined in the Agreement. This formula provides for SIGA to remit to SLGA, on a weekly basis, one-half of the amount by which actual slot machine gaming revenue exceeds one-fifty-second of SIGA's annual budget. Shortfalls in weekly slot machine gaming revenue as compared to budget are recoverable against future remittances. The remaining one-half of the amount determined above is remitted to SLGA within one-hundred and eighty days of the applicable week. Pursuant to the Agreement, if, at the end

of any operating year, SIGA has not been fully reimbursed for amounts to which it is entitled for the operation of casinos, such amounts may be recovered from future operations. As a result, in a year where SIGA incurred a net loss this will be recovered in the next operating year by withholding the same amount from net earnings prior to making any weekly distribution payments. SIGA is allowed to retain \$5,000,000 as a capital reserve for the sole purpose of acquiring capital assets. Also, under the Agreement, SIGA has granted a first charge security interest on all its present and after acquired assets to SLGA to secure contractual obligations of SIGA under the Agreement. However, the Agreement requires that upon joint written request by SIGA and its lenders, SLGA shall postpone such security in favour of the lenders who require a priority charge relating to funds lent to SIGA for the financing of its operations carried out in accordance with the Agreement. On June 11, 2002, the Government of Saskatchewan and the FSIN signed a Gaming Framework Agreement which expires on June 10, 2037. The Government must distribute, in accordance with the provisions of the Framework Agreement, the income from casino operations remitted to SLGA. Under the provisions of the 2002 Framework Agreement, the Government of Saskatchewan, as represented by the Minister responsible for SLGA, is entitled to recover its proportion of expenses that SLGA determines are not in accordance with the approved operating policies and directives from the future amounts payable to the First Nations Trust Fund. Effective for the year ended March 31, 2008 and subsequent years, the Casino Operating Agreement ("COA") between SLGA and SIGA was amended to exclude unrealized gains and losses on interest rate swaps from the calculation of net Casino profits payable to SLGA.

On September 23, 2021, the Government of Saskatchewan and the FSIN signed a 2021 Amending Agreement to the 2002 Framework Agreement and an Online Gaming Operating Agreement ("OGO") that authorizes SIGA to operate and maintain services relating to Online Gaming and the platform(s) through which Online Gaming is provided. This agreement aligns SIGA as the exclusive provider for online gaming for a period of five years.

Saskatchewan Gaming Corporation ("SCG") is the proponent on behalf of the Province pursuant to the 2021 Amending Agreement for the purpose of fulfilling the conduct and management role for Online Gaming in Saskatchewan as required by the Criminal Code of Canada. Under the Amending Agreement, SIGA is entitled to withhold the Online Gaming operating expenses, incurred in accordance with the operating policies and directives approved by SGC, from online gaming revenues. SIGA is required to deposit the remainder into a trust account for SGC in accordance with the procedures and formulas specified in the Amending Agreement. The Agreement expires on September 23, 2026.

The Province of Saskatchewan created Lotteries and Gaming Saskatchewan Corporation ("LGS") as a Crown corporation effective April 1, 2023 to, amongst other things, conduct and manage lottery schemes and oversee the gaming sector

in Saskatchewan pursuant to The Lotteries and Gaming Saskatchewan Corporations Act from June 1, 2023 onwards.

On June 1, 2023 SIGA, SGC, LGS, and SLGA signed an agreement with the assignment of the COA from SLGA and the OGOA from SGC to LGS. This effectively also transferred the conduct and management role for Casino operations and Online gaming in Saskatchewan from SLGA and SGC, respectively, to LGS.

SIGA was incorporated under the Non-profit Corporations Act, 2022 and is not subject to income tax under the provision of paragraph 149(1)(l) of the Income Tax Act (Canada). SIGA pays Goods and Services Tax and Provincial Sales Tax to government agencies and claims input tax credits on its ancillary operations. SIGA is a corporation domiciled in Canada. SIGA's head office is located at 103 Aspen Place in Saskatoon, Saskatchewan, Canada, S7N 1K4.

2. BASIS OF PREPARATION AND STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”).

These financial statements for the year ended March 31, 2024, were authorized for issue by the Board of Directors (the “Board”) on May 21, 2024.

SIGA has prepared these financial statements using the historical cost basis unless otherwise noted in the significant accounting policies. These financial statements are presented in Canadian dollars, which is SIGA's functional currency.

3. MATERIAL ACCOUNTING POLICIES

The significant accounting policies used in the preparation of these financial statements are summarized below. These accounting policies have been applied consistently to all years presented in these financial statements.

Change in accounting policies

Effective April 1, 2023, SIGA adopted amendments to IAS 1, Presentation of Financial Statements, on a prospective basis. The adoption of this amended standard has required SIGA to disclose its material accounting policies instead of its significant accounting policies. Accounting policy information is material if, when considered together with other information included in an entity's financial statements, it can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements. Implementing this amended standard did not have a significant impact on the financial statements.

Use of estimates, key judgments and assumptions

The preparation of the financial statements in conformity with IFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, and disclosure of contingent assets and contingent liabilities at the date of these financial statements as well as the reported amounts of revenue and expenses during the reporting year.

Accordingly, actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and in any future years affected.

Significant areas requiring the use of management estimates, judgments and assumptions are further described in the following summary of significant accounting policies and related notes:

- (a) Useful lives and depreciation and amortization of property and equipment and intangible assets (Notes 3, 7 and 8)
- (b) Customer loyalty program (Note 3)
- (c) Accrued liabilities and provisions
- (d) Assessment of impairment of property plant and equipment
- (e) Determination if an agreement contains a lease and implicit interest rate (Note 12 and 23)
- (f) Fair value of interest rate swap asset/liability (Note 11)
- (g) Assessment of revenue recognition principal versus agent considerations (Note 3)

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, cash on deposit with banks with an original maturity of less than or equal to three months, bank overdraft and certain short-term investments. The short-term investments included in cash and cash equivalents are highly liquid investments with an original maturity of less than or equal to three months.

Short-term investments

Short-term investments include any investments that have a term of more than three months, but less than one year from the statement of financial position date, and are held to collect contractual cash flows in the form of principal and interest.

Accounts receivable and expected credit losses

Management evaluates collectability of receivables depending on the customer and the nature of the balance. Collectability of receivables is reviewed and the allowance for expected credit losses is adjusted quarterly if required. Account balances are charged to comprehensive income when management determines that it is probable that the receivable will not be collected.

3. MATERIAL ACCOUNTING POLICIES (continued)

Inventories

Inventories are valued at the lower of cost and net realizable value. The cost of inventories is determined using the most recent cost. Net realizable value is the estimated selling price in the ordinary course of business less all estimated costs to make the sale.

Property and equipment

Property and equipment are recorded at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset. When parts of an item of property and equipment have different useful lives, they are accounted for as separate items (major components) of property and equipment. Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the costs of those assets. SIGA ceases to capitalize borrowing costs when substantially all the activities necessary to prepare the qualifying asset for its intended use are complete.

Depreciation is recorded in the accounts on a straight-line basis commencing when they are available for use, at rates expected to depreciate the cost of the assets over their estimated useful lives as follows:

Asset	Rate
Leasehold improvements	5 years
Casino development	Useful life of the asset
Furniture & equipment	4-5 years

Depreciation methods are reviewed at each financial year end and adjusted prospectively, if appropriate.

Periodically SIGA evaluates whether changes to estimated useful lives are necessary to ensure that these estimates accurately reflect the economic use of the assets.

When property and equipment are disposed of or retired, the related costs less accumulated depreciation are de-recognized. The gain or loss arising on the disposal or retirement of an item of property and equipment is determined as the difference between the sales proceeds less costs of removal and the carrying amount of the asset. The gain or loss on asset disposals and retirements is recognized in other revenue or expenses.

Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost, less any accumulated amortization and accumulated impairment losses, if any. SIGA's only identifiable intangible asset is software. Software costs include the cost of externally purchased software packages and, for internally developed programs, related external and direct labour costs.

Maintenance of existing software programs is expensed as incurred.

Amortization is calculated on a straight-line basis over its estimated useful life of between 1 to 5 years. The amortization method and estimated useful life is reviewed annually and any changes are applied prospectively.

Leases

At inception of a contract, SIGA assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, SIGA assesses whether:

- The contract involves the use of an identified asset – this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- SIGA has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use;
- SIGA has the right to direct the use of the asset. SIGA has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used.

SIGA recognizes a right-of-use asset and a lease liability at the lease commencement date.

Right-of-use assets

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently amortized using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment, which are intended to reduce the carrying value to the estimated residual value, if any. In addition, the right-of-use asset is subject to impairment assessment and adjusted for certain remeasurements of its associated lease liability.

Lease liabilities

The lease liability is initially measured at the present value of future lease payments, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate specific to the lease.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed lease payments, including in-substance fixed payments;
- Lease payments that depend on an index or a rate (such as inflation), initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee;
- The exercise price under a purchase option that SIGA is reasonably certain to exercise;
- Lease payments in an optional renewal period if SIGA is reasonably certain to exercise an extension; and
- Penalties for early termination of a lease unless SIGA is reasonably certain not to terminate early.

The lease liability is measured at amortized cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in SIGA's estimate of the amount expected to be payable under a residual value guarantee, or if SIGA changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in net earnings if the carrying amount of the right-of-use asset is nil.

A lease modification is accounted for as a separate lease if there is an increase in the scope of a lease and a corresponding increase in consideration, such as adding the right to use one or more underlying assets in a contract. Otherwise, a lease modification is considered a remeasurement of the lease liability, as discussed above.

Recognition exemptions

SIGA has elected not to recognize right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. SIGA recognizes short-term leases and leases of low-value assets in income on a straight-line basis over the lease term.

Impairment of non-financial assets

At the end of each reporting period, SIGA reviews the carrying amount of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, SIGA estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units that a reasonable and consistent basis of allocation can be identified.

Recoverable amount is the higher of the fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of comprehensive income.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the statement of comprehensive income.

Revenues

SIGA evaluates all contractual arrangements it enters into and evaluates the nature of the promises it makes, and rights and obligations under the arrangement, in determining the nature of its performance obligations. Where such performance obligations are concluded to be distinct from each other, the consideration SIGA expects to be entitled under the arrangement is allocated to each performance obligation based on its relative estimated stand-alone selling prices. Performance obligations that are concluded not to be distinct are combined together into a single unit of account. Revenue is recognized at an amount equal to the

3. MATERIAL ACCOUNTING POLICIES (continued)

transaction price allocated to the specific performance obligation when it is satisfied.

Gaming revenue (slot and table revenues) represents the net win from those gaming activities calculated as the difference between amounts wagered and pay-outs by the casino. Gaming revenues are net of accruals for anticipated payouts of progressive jackpots and promotion allowances from the player's club program.

As part of its customer loyalty initiative, SIGA offers a Players Club program to patrons. Under the program, club members accumulate reward points based on amounts wagered on slot machines. Members can redeem their points for cash or vouchers for free or discounted goods or services. SIGA records the points earned as a reduction of gaming revenue. Accounts payable and accrued liabilities are accrued for the estimated cost of the earned points balance at the end of the period under the player's club program. If the patron chooses to redeem their points for a voucher for free or discounted goods or services, the revenue is determined by the fair value of the undelivered goods and services related to a customer loyalty program and remains in accounts payable and accrued liabilities until the promotional consideration is provided.

Historically non-redeemed loyalty rewards have not been significant.

Ancillary revenues include hotel, food, beverage, and concession revenue and such revenues are recognized when the goods and services are provided.

Revenues exclude the retail value of food, beverage and other promotional allowances provided on a complimentary basis to guests. The cost of providing the complimentary items is included in direct operating expenses.

SIGA provides slot operations and online gaming operations in the Province of Saskatchewan on behalf of LGS. Prior to June 1, 2024, slot operations were provided on behalf of SLGA and online gaming operations on behalf of SGC. SIGA has determined it is an agent in the delivery of slot operations and online gaming operations as LGS, formerly SLGA and SGC, respectively, fulfills the conduct and management role and has the right to direct the delivery of these services. Therefore, SIGA presents revenue from slot operations and online gaming operations net of related expenses. Revenue from table games and ancillary operations are presented on a gross basis.

Commitment of net proceeds of table operations

Liabilities are recorded when amounts to be distributed are approved by the Board.

Allocation of expenses

Table game operations

Costs allocated to table game operations include actual direct expenses, and an allocation of indirect site expenses based on the percentage of gross table revenue to total revenue on an individual casino site basis.

Central Office costs are allocated to table game operations based on a percentage of gross table revenue to total revenue. These central office costs are then allocated to each casino site based on the percentage of each casino site's table net income to all casinos' table net income before the allocation of indirect site expenses.

Slot machine operations

Costs allocated to slot machine operations include actual direct expenses, and an allocation of indirect site expenses based on the percentage of gross slot revenue to total revenue on an individual casino site basis.

All remaining Central Office costs net of table games and ancillary allocations are allocated to slot operations. These central office costs are then allocated to each casino site based on its percentage of casino slot net income net of indirect site expenses.

Ancillary operations

Costs allocated to ancillary operations include actual direct expenses, and an allocation of indirect site expenses based on the percentage of gross ancillary revenue to total revenue on an individual casino site basis.

Central Office costs are allocated to ancillary operations based on a percentage of gross ancillary revenue to total revenue. These central office costs are then allocated to each casino site based on the percentage of each casino site's ancillary net income to all casinos' ancillary net income before the allocation of indirect site expenses.

Employee benefits

A defined contribution pension plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. SIGA's matching contributions to the defined contribution pension plan for employees are recorded as salaries and benefits expense in the statement of comprehensive income when services are rendered by employees.

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

Foreign currency

Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated to SIGA's functional currency at the exchange rate at that date. Revenues and expenses are translated at rates of exchange prevailing on the transaction dates. Translation gains and losses on foreign currency denominated monetary items are taken into income in the current year.

Financial instruments

Financial assets and liabilities are initially measured at fair value and are recognized in SIGA's statement of financial position when SIGA becomes a party to the contractual provisions of the instrument. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities (other than financial assets and financial liabilities at fair value through profit or loss ("FVTPL")), are added to or deducted from the fair value of the financial assets or liabilities on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities at FVTPL are recognized immediately in profit or loss. SIGA's classifications of its financial instruments are disclosed in Note 20.

Financial assets

Financial assets are initially recorded at fair value and are measured subsequently at either amortized cost, fair value through other comprehensive income, or fair value through profit or loss depending on the classification of the financial assets.

Amortized cost

Financial assets are measured subsequently at amortized cost using the effective interest rate method if acquired principally to collect contractual cash flows of principal and interest on specified dates. Interest income calculated using the effective interest rate method is recognized in profit or loss through "finance costs" on the statement of comprehensive income.

Fair Value Through Other Comprehensive Income ("FVTOCI")

Financial assets are measured subsequently at FVTOCI using the effective interest rate method if acquired to collect contractual cash flows of principal and interest on specified dates and to sell the financial asset. Interest income calculated using the effective interest rate method is recognized in profit or loss through "finance costs" on the statement of comprehensive income. Any other changes to the carrying amount of the financial asset are recognized in other comprehensive income ("OCI").

Fair Value Through Profit or Loss ("FVTPL")

Financial assets are measured subsequently at FVTPL by default or do not meet the criteria for being measured at amortized cost or FVTOCI. Fair value gains or losses at the end of each reporting period are recognized in profit or loss through "finance costs" on

the statement of comprehensive income to the extent they are not part of a designated hedging relationship.

Impairment of financial assets

At the end of each reporting period, SIGA assesses whether to recognize a loss allowance for expected credit losses ("ECL") for a financial asset or a group of financial assets, other than those classified as FVTPL. If there is objective evidence that an ECL exists, the loss is recognized in profit or loss with a corresponding adjustment to the carrying amount of the financial asset through a loss allowance account. The ECL is estimated as the difference between the contractual cash flows that SIGA is entitled to receive and the cash flows that SIGA expects to receive.

Financial liabilities

Financial liabilities that are held-for-trading are measured subsequently at FVTPL, with gains and losses arising on changes in fair value recognized in profit or loss through "finance costs" on the statement of comprehensive income to the extent they are not part of a designated hedging relationship. Changes in fair value of the financial liability due to changes in the credit risk of the liability is recognized in OCI, unless the recognition of the effects of changes in the liability's credit risk in OCI would create or enlarge an accounting mismatch in profit or loss. All other financial liabilities not designated as at FVTPL are measured subsequently at amortized cost using the effective interest rate method.

Derecognition of financial liabilities

SIGA derecognizes financial liabilities when, and only when, SIGA's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss. When SIGA exchanges with the existing lender one debt instrument into another one with substantially different terms, such exchange is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, SIGA accounts for substantial modification of terms of an existing liability or part of it as an extinguishment of the original financial liability and the recognition of a new liability. It is assumed that the terms are substantially different if the discounted present value of the cash flows under the new terms, including any fees paid net of any fees received and discounted using the original effective rate is at least 10 per cent different from the discounted present value of the remaining cash flows of the original financial liability. If the modification is not substantial, the difference between: (1) the carrying amount of the liability before the modification; and (2) the present value of the cash flows after modification should be recognized in profit or loss as the modification gain or loss within other gains and losses.

Derivative financial instruments

SIGA uses interest rate swap derivatives to manage its exposure to interest rate risk. Derivatives are initially recognized at fair

3. MATERIAL ACCOUNTING POLICIES (continued)

value at the date that the derivative contract is entered into and subsequently measured at fair value with changes in fair value recognized through comprehensive income immediately.

A derivative with a positive fair value is recognized as a financial asset whereas a derivative with a negative fair value is recognized as a financial liability. Derivatives are not offset in the financial statements unless SIGA has both a legally enforceable right and intention to offset. A derivative is presented as a non-current asset or a noncurrent liability if the remaining maturity of the instrument is more than 12 months and it is not due to be realized or settled within 12 months. Other derivatives are presented as current assets or current liabilities.

Fair value of financial instruments

Fair values approximate amounts at which financial instruments could be exchanged between willing parties based on current markets for instruments with similar characteristics such as risk and remaining maturities. Fair values are determined, where possible, by reference to quoted bid or asking prices in an active market. In the absence of an active market, SIGA determines fair value based on internal or external valuation models, such as discounted cash flow analysis or using observable marketbased inputs (bid and ask price) for instruments with similar characteristics and risk profiles. SIGA's own credit risk and the credit risk of the counterparty have been taken into account in determining the fair value of financial assets and liabilities, including derivative instruments. Fair value measurements are subjective in nature, and represent point-in-time estimates which may not reflect fair value in the future.

SIGA classifies fair value measurements recognized in the statement of financial position using a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1 - valuation based on quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 - valuation techniques based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3 - valuation techniques using inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Fair value measurements are classified in the fair value hierarchy based on the lowest level input that is significant to that fair value measurement. This assessment requires judgment, considering factors specific to an asset or a liability and may affect placement within the fair value hierarchy. See Note 20 for further discussion on the classification and fair value of financial instruments.

Finance costs

Finance costs comprise interest expense on borrowings not subject to capitalization, amortization of costs related to borrowings, interest on lease liabilities, and impairment losses recognized on financial assets.

4. SHORT-TERM INVESTMENTS

Short-term investments consist of investments in guaranteed investment certificates and term deposits totaling \$57,987,500 (\$69,402,500 in 2023). Individual interest rates range from 4.50% and 5.55% and will mature between June 24, 2024 and November 28, 2024.

5. ACCOUNTS RECEIVABLE

SIGA's exposure to credit and currency risks, and impairment losses related to trade and other receivables, is disclosed in Note 20.

6. INVENTORIES

Inventories totaling \$6,775,267 were recognized as food and beverage cost of goods sold for the year ended March 31, 2024 (\$5,819,495 in 2023). No write-downs of inventories were noted

for the year ended March 31, 2024 (nil in 2023), and there were no reversals of writedowns from previous years.

Construction in progress represents costs incurred for capital projects under construction at existing casinos. Upon completion, these costs are transferred into the appropriate capital asset category. Right-of-use assets consist of casino development.

9. DUE TO SASKATCHEWAN GAMING CORPORATION AND SASKATCHEWAN LIQUOR AND GAMING AUTHORITY

As described in Note 1, SIGA is required to remit to SLGA (LGS subsequent to June 1, 2023) the net income from the operation of the slot machines in accordance with a formula as defined in the Agreement. In addition, SIGA is required to remit to SGC (LGS subsequent to June 1, 2023) the net income from the operation of online gaming in accordance with a formula as defined in the Amending Agreement. Effective June 1, 2023, existing balances due to SLGA and SGC were transferred to LGS and all remittances from June 1, 2023 onwards are made to LGS. SIGA is required to remit to LGS the net income from the operation of the slot machines and net income from the operations of online gaming in accordance with the formula as defined in the agreements noted

above. According to the Agreements, unrealized gains and losses on interest rate swaps are excluded from the calculation of net casino profits payable and net online profits due to the Province.

Income distributed to SLGA was \$19,813,183 (\$125,958,218 in 2023), to SGC was \$294,576 (\$61,712 in 2023) and to LGS was \$118,673,495 (nil in 2023).

Included in the balance of the due to LGS is \$5,000,000 that has been retained as a capital reserve as disclosed in Note 1.

10. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

SIGA is required to pay SLGA (LGS subsequent to June 1, 2023) an amount equivalent to the imputed Goods and Services Tax ("GST") that is payable by SLGA (LGS subsequent to June 1, 2023) on gaming expenses incurred by SIGA related to its slot machine

operations. Included in accounts payable and accrued liabilities are amounts owing to LGS for GST of \$528,254 (\$397,119 payable to SLGA in 2023).

11. LONG-TERM DEBT

Projects financing

SIGA entered into a long-term financing agreement with a financial institution (the "Bank") for all of its casino projects. The long-term financing agreement is secured by a general security agreement and mortgage of leasehold interests of SIGA's casinos.

There are currently four financial covenants which are reported on a quarterly basis. The financial covenants are as follows:

- (a) The senior fund debt to earnings before interest, taxes, depreciation and amortization ("EBITDA") ratio shall be less than or equal to 2.0:1.0 for each fiscal quarter;
- (b) The interest coverage ratio shall not be less than 5.0:1.0;
- (c) The total debt service coverage ratio shall not be less than 2.0:1.0; and
- (d) The earnings before interest, taxes, depreciation, amortization and rent ("EBITDAR") coverage ratio shall not be less than 2.0:1.0.

Ratios at year-end were 0.38, 18.83, 9.36, and 6.87 respectively. SIGA was in compliance with the above covenants throughout the year.

The financing agreement includes terms such as senior fund debt, EBITDA and EBITDAR which are not defined under IFRS.

LGS financing

On June 4, 2021, SIGA entered into a Forbearance and Debt Repayment Agreement with SLGA whereby SLGA has provided an unsecured loan to a maximum of \$33,735,752. On June 1, 2023, this agreement was assigned to LGS. The unsecured loan will be repaid in monthly installments over a 10-year plus 10-month period beginning September 1, 2022 and is non-interest bearing. The first payment was \$840,752 after which the remaining monthly payments will be \$255,000. During the year, payments in excess of the scheduled payments of \$3,060,000 (nil in 2023) were made. On March 31, 2024, the loan balance was \$25,245,000 (\$31,365,000 in 2023).

11. LONG-TERM DEBT (continued)

The long-term debt obligations are as follows:

	2024 \$	2023 \$
Term loan #1		
Repayable in monthly installments of \$116,667 plus interest at banks acceptance rate plus 1%, maturity April 2023	—	583,333
Term loan #2		
Repayable in monthly installments of \$127,000 including interest at bankers acceptance rate plus 1.5%, maturity April 2023	—	610,000
Term loan #3		
Repayable in monthly installments of \$117,762 plus interest at bankers acceptance rate plus 1.5%, maturity August 2024	1,177,712	2,590,857
Term loan #4		
Repayable in monthly installments of \$88,889 plus interest at bankers acceptance rate plus 1.5%, maturity August 2024	888,870	1,955,538
Term loan #5		
Repayable in monthly installments of \$71,000 plus interest at bankers acceptance rate plus 1.5%, maturity September 2034	13,387,000	14,237,000
Term loan #6		
Repayable in monthly installments of \$50,000 plus interest at bankers acceptance rate plus 1.5%, maturity September 2029	3,450,000	4,050,000
Term loan #7		
Repayable in monthly installments of \$42,000 plus interest at bankers acceptance rate plus 1.5%, maturity September 2029	2,874,000	3,374,000
Unsecured SLGA loan	25,245,000	31,365,000

Less: current portion	(7,076,582)	(8,683,145)
	39,946,000	50,082,583

In order to manage its interest rate risk exposure, SIGA entered into separate interest rate swap arrangements for construction projects. These arrangements fixed the interest rates for the loans for each construction project at 2.05% for Dakota Dunes, 5.09% for Living Sky, 5.09% for Painted Hand, 2.10% for Gold Horse and 2.05% for Central Office over the term of the loans. These swap terms range from August 2024 to September 2034. An asset of \$1,718,217 has been recorded at March 31, 2024 (\$1,469,701 in 2023), representing the fair value of the instruments. Changes to the fair value are recorded as an unrealized gain or loss in the current period. The notional amount of the interest rate swaps at March 31, 2024 is equal to the carrying value of the term loans of \$21,777,582.

12. LEASE LIABILITIES

On November 1, 2004, SIGA entered into an agreement with White Bear Holdings Limited for the lease of Bear Claw Casino. Beginning in April 2005, SIGA leased the property from the company for approximately 22 years at an annual cost of \$529,200.

On December 23, 2004, SIGA entered into an agreement with STC Casino Holdings Limited Partnership for the lease of Dakota Dunes Casino on Whitecap Dakota First Nation. Beginning in April 2007, SIGA leased the property from that Partnership for approximately 20 years at an annual cost of \$2,248,477. In 2011, there was an addition to this capital lease, for approximately 16 years, at an annual cost of \$441,540. In 2012, there was a further addition to this lease for approximately 15 years, at an annual cost of \$63,360.

On October 26, 2005, SIGA entered into an agreement with PHC Holdings Limited Partnership for the lease of Painted Hand Casino in Yorkton. Beginning in February 2009, SIGA leased the property from that Partnership for approximately 19 years at an annual cost of \$1,783,028.

On January 26, 2006, SIGA entered into an agreement with FHQ Casino Holdings Limited Partnership for the lease of Living Sky Casino in Swift Current. Beginning in December 2008, SIGA leased the property from the Partnership for approximately 19 years at an annual cost of \$2,364,409.

On April 1, 2014, SIGA entered into an agreement with FNH Development Limited Partnership for the lease of Gold Eagle Casino in North Battleford. SIGA will lease the property from the Partnership for 13 years at an annual cost of \$1,659,113.

On April 1, 2014, SIGA entered into an agreement with BATC Investments Limited Partnership for the lease of an expansion at Gold Eagle Casino in North Battleford. Beginning September 1, 2015, SIGA leased the property from the Partnership for 13 years at an annual cost of \$404,280.

SIGA has established an unsecured \$5,000,000 line of credit with a financial institution, subject to SIGA maintaining a minimum balance of \$5,000,000 in short-term investments. Interest is charged on the line of credit at the financial institution's prime rate. At March 31, 2024, no amount is owing on the line of credit (nil in 2023).

On May 31, 2017 SIGA entered into an agreement with Border Tribal Council Limited Partnership for the lease of Gold Horse Casino in Lloydminster. Beginning January 10, 2019, SIGA leased the property from the Partnership for 9 years at an annual cost of \$2,619,000. The initial term will be automatically extended upon the renewal of the casino operating agreement for up to an additional 10 years. The annual lease payments may be adjusted dependent on whether the land has received reserve status at a future date.

On August 1, 2022, SIGA entered into an agreement with Prince Albert Casino Ventures Limited Partnership for the lease of Northern Lights Casino. Beginning in August 2022, SIGA leased the property from the Partnership for approximately 5 years at an annual cost of \$2,260,469, with three 5-year renewal periods.

On July 16, 2019 SIGA entered into an agreement with ICR Commercial Real Estate for the lease of the Central Office building in Saskatoon. SIGA will lease the property from ICR for 15 years at an annual cost of \$1,110,517.

White Bear Holdings Limited, STC Casino Holdings Limited Partnership, PHC Holdings Limited Partnership, FHQ Casino Holdings Limited Partnership, FNH Development Limited Partnership, BATC Investments Limited Partnership, Border Tribal Council Limited Partnership, and Prince Albert Casino Ventures Limited Partnership are related to SIGA as they are owned by Class A membership holders of SIGA.

Interest rates underlying all obligations under finance leases are fixed at respective contract rates ranging from 3.0% to 12.5% (3.0% to 12.5% in 2023) per annum.

12. LEASE LIABILITIES (continued)

Net carrying amount of right-of-use assets, consisting of casino development, are as follows:

	2024 \$	2023 \$
Northern Lights Casino	31,792,546	33,552,673
Gold Horse Casino	17,759,072	19,121,959
Central Office	7,429,558	8,187,380
Gold Eagle Casino	5,296,330	6,920,396
Dakota Dunes Casino	3,588,864	4,834,206

Bear Claw Casino	1,603,883	2,104,607
	73,606,263	82,774,116

Lease liabilities

The minimum lease payments under the lease liabilities are as follows:

	2024 \$	2023 \$
Total future minimum lease payments	117,520,705	132,866,549
Less future finance charges on lease liabilities	(28,396,590)	(34,073,248)
Present value of lease liabilities	89,124,115	98,793,301
Less current portion of lease liabilities	(10,601,100)	(9,803,813)
Lease liabilities	78,523,015	88,989,488

As at March 31, 2024, scheduled future minimum lease payments of the lease liabilities are as follows:

	1 year \$	1-5 years \$	5-16 years \$
Future minimum lease payments	15,531,096	44,262,218	57,727,391
Present value of lease liabilities	10,601,100	32,348,437	46,174,578

Due to the related party nature of the lease liabilities, fair value information has not been disclosed as fair value cannot be reliably measured.

13. UNCOMMITTED NET PROCEEDS OF TABLE OPERATIONS

The Casino Operating Agreement provides for SIGA to use any net income from the operation of licensed table games for charitable or religious objects or purposes. Distributions of funds were made during the year as follows:

	2024 \$	2023 \$
Balance, beginning of year	—	—
Net loss from table operations (Note 20)	(2,204,529)	(1,917,196)
	(2,204,529)	(1,917,196)
Net loss from table operations allocated to slot operations	2,204,529	1,917,196
Amounts disbursed	—	—
Balance, end of the year	—	—

14. REVENUE

	2024 \$	2023 \$
		(Restated - Note 22)
Net revenue from slot operations	143,048,698	133,723,295
Revenue from ancillary operations	24,917,763	14,094,215
Revenue from table games	12,533,884	12,161,419
Net revenue from online gaming operations	4,975,487	31,712
	185,475,832	160,010,641

15. FINANCE COSTS

	2024 \$	2023 \$
Interest on long-term debt	958,359	1,425,439
Interest on lease liabilities	5,685,490	6,116,617
	6,643,849	7,542,056

The weighted average capitalization rate on funds borrowed generally is 5.60% per annum (6.44% per annum in 2023).

16. EMPLOYEE BENEFITS

Effective April 1, 1997, SIGA established a pension plan for employees. The plan is a defined contribution plan administered by Great West Life. Substantially all of SIGA's full-time employees participate in the plan. SIGA's financial obligation is limited to

matching the required amounts contributed by employees, 6% of salary, which totaled \$4,117,510 in fiscal 2024 (\$3,271,980 in 2023).

17. CAPITAL DISCLOSURES

SIGA's objectives when managing capital are to ensure adequate capital to support the operations and growth strategies of SIGA. SIGA funds its capital requirements through the \$5,000,000 capital reserve from LGS, internal operating activities and debt. SIGA also has an available line of credit of \$5,000,000 at a financial institution (Note 11). SIGA limits the amount of risk in proportion to its capital. SIGA entered into seven interest rate swap

agreements to exchange the variable rate debt instruments to fixed rate loans to mitigate fluctuations in interest rates. SIGA also regularly evaluates if any factors have the potential to change the capital structure of the organization. Risk management reports are presented to the Audit and Finance Committee and Board of Directors on a quarterly basis.

18. FINANCIAL RISK MANAGEMENT

SIGA, through its financial assets and liabilities, has exposure to a number of risks from its use of financial instruments. The following analysis provides a measurement of these risks as at March 31, 2024:

Risk management

The Board has overall responsibility for the establishment and oversight of SIGA's risk management framework and is responsible for developing and monitoring SIGA's risk management policies.

SIGA's risk management policies are established to identify and analyze the risks faced by SIGA, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and SIGA's activities.

SIGA's Board oversees how management monitors compliance with SIGA's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by SIGA. The Board is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Board.

Credit risk

SIGA's principal financial assets are cash and cash equivalents, short-term investments, and accounts receivable, which are subject to credit risk. The carrying amounts of financial assets on the statement of financial position represent SIGA's maximum credit exposure at the statement of financial position date.

SIGA does not extend credit to its gaming customers. Credit risk is limited to its accounts receivable balance which consists primarily of government subsidy receivable. The credit risk on cash and cash equivalents and short-term investments is limited because the counterparties are chartered banks with high credit-ratings assigned by national credit-rating agencies. Credit risk is not considered significant.

The following reflects an aging summary of SIGA's trade accounts receivable balances:

The following reflects an aging summary of SIGA's trade accounts receivable balances:

	2024 \$	2023 \$
Current	7,790,536	3,401,577
30-59 days	510,838	19,490
60-89 days	(4,150)	11,364
90 days and greater	375,382	40,819
	8,672,606	3,473,250
Credit loss allowance	—	—
	8,672,606	3,473,250

The credit loss allowance for accounts receivable is estimated based on an assessment of individual accounts and the length of time balances have been outstanding. Historically, SIGA has not written-off a significant portion of its trade accounts receivable balances.

Interest rate risk

Interest rate risk is the risk of financial loss resulting from changes in market interest rates. In order to manage its interest rate risk exposure, SIGA entered into separate interest rate swap arrangements for the Dakota Dunes, Living Sky, Painted Hand,

Gold Horse and Central Office construction projects as described in Note 11. These arrangements fixed the interest rates for the loan for each construction project at 2.05%, 5.09%, 5.09%, 2.10% and 2.05% respectively over the term of the loans.

Foreign exchange risk

SIGA faces exposure to the U.S./Canadian dollar exchange rate through the purchase of goods and services payable in U.S. dollars. The risk is not considered significant.

Liquidity risk

Liquidity risk is the risk that SIGA is unable to meet its financial commitments as they become due or can only do so at excessive cost. SIGA manages its cash resources based on financial forecasts and anticipated cash flows. The following summarizes the contractual maturities of SIGA's financial liabilities based on undiscounted payments:

	Contractual cash flows					2024
	Carrying amount \$	0-12 months \$	1-2 years \$	3-5 years \$	More than 5 years \$	Total \$

18. FINANCIAL RISK MANAGEMENT (continued)

The interest included in the payments of long-term debt were estimated using the interest rates prevailing at the end of the reporting period, assuming that such rates remain unchanged during the term of the long-term debt arrangements.

	Contractual cash flows					2023
	Carrying amount \$	0-12 months \$	1-2 years \$	3-5 years \$	More than 5 years \$	Total \$

Interest rate swap asset	FVTPL	2	1,718,217	1,469,701

Derivatives are carried at their fair value. Derivative instrument fair value is calculated using pricing models that incorporate current market prices and the contractual prices of the underlying instruments, the time value of money and yield curves.

The fair value of the remaining financial instruments classified as amortized cost approximates carrying value due to their short-term nature.

The fair value of the term loans approximates carrying value due to the floating interest rates.

19. RELATED PARTY TRANSACTIONS

Significant related parties to SIGA include the FSIN, holder of a Class A membership in SIGA, and entities related to the FSIN (including Saskatchewan Indian Institute of Technologies, First Nations University of Canada, Indigenous Gaming Regulators Inc., Saskatchewan Indian Cultural Centre, and Saskatchewan Indian Equity Foundation). Related parties also include the Tribal Councils of Saskatchewan and Border Tribal Council

Limited Partnership (and their related entities) that hold Class A memberships in SIGA. All transactions with related parties were made in the normal course of business and have been recorded at exchange amounts agreed upon between the parties.

The following are balances outstanding with related parties:

	2024 \$	2023 \$
Amounts owed by related parties	66,291	86,231
Amounts owed to related parties	450,154	11,464

Significant transactions with related parties throughout the year are as follows:

	2024 \$	2023 \$
Purchases of goods and services		
Lease liabilities payments (principal and interest)	16,301,068	15,779,122
Building rent and occupancy	3,611,071	3,701,934

Other	3,008,732	2,591,228
Sponsorship	193,300	95,300

Key management personnel compensation

Key management personnel are those persons that have the authority and responsibility for planning, directing and controlling the activities of SIGA, directly or indirectly. Key management personnel of SIGA include the President/CEO, Vice-Presidents, and members of the Board of Directors.

Key management personnel compensation is comprised of:

	2024 \$	2023 \$
Employee compensation and benefits	2,597,952	2,423,177
Post-employment benefits	255,867	198,750
	2,853,819	2,621,927

Other transactions with related parties and amounts due to/from them are described separately in these financial statements and the notes thereto.

20. DETAILED OPERATING RESULTS

SIGA operates in four lines of business – table operations, slot operations, ancillary operations and online gaming.

The following table shows key amounts by line of business.

	Slot operations \$	Table operations \$	Ancillary operations \$	Online gaming \$	Elimination of intercompany transaction \$	2024 \$	2023 \$
Revenue	280,604,698	12,533,884	24,917,763	7,235,931	(800,315)	324,491,961	292,614,195
Expenses	137,556,000	14,738,413	31,956,165	2,260,444	(800,315)	185,710,707	166,594,265
Profit (loss) before the following	143,048,698	(2,204,529)	(7,038,402)	4,975,487	—	138,781,254	126,019,930
Unrealized gain on interest rate swaps (Note 11)						248,516	809,304
Total net income and comprehensive income for the year before distribution to LGS (Note 1 & 9)						139,029,770	126,829,234
	—	—	—	—	—	139,029,770	126,829,234

Profit for each line of business represents the income earned without allocation of unrealized gain (loss) on interest rate swaps and distribution to LGS (formerly SLGA and SGC).

21. COMMITMENTS AND CONTINGENCIES

Operating commitments

SIGA has obligations under operating commitments. The minimum payments required under these commitments are as follows:

	2024 \$	2023 \$
Less than one year	219,820	208,079
Between one and five years	178,752	140,041
More than five years	19,530	—
	418,102	348,120

The above commitments include amounts committed to related parties of \$84,873.

Capital Commitment – Slot Machines

The Casino Operating Agreement requires LGS to supply slot machines and the slot management system to SIGA for use in its casinos and for SIGA to reimburse to LGS the cost of these machines over the estimated useful life of the equipment. Included in expenses is \$13,037,252 (\$11,723,067 in 2023) for reimbursement of the purchase of slot machines and the slot machine management system. SIGA estimates total costs over the next five years, based on the machines currently in use, as follows:

	\$
2025	11,203,220
2026	6,297,755
2027	4,372,819
2028	4,173,801
2029	4,408,107

Letters of credit

SIGA has two letters of credit with First Nations Bank of Canada, \$52,500 payable to the City of Swift Current and \$750,000 payable to the City of Lloydminster.

Other

The COA requires SIGA, upon receiving direction from LGS, to pay to Indigenous Gaming Regulators Inc. (“IGR”) the amount of IGR’s annual operating budget. LGS has directed SIGA to pay IGR \$3,200,000 for 2024-2025 (\$3,300,000 in 2023-2024).

SIGA entered into an agreement with Saskatoon Prairieland Park Corporation (“SPPC”) regarding the maintenance of a certain level of income when SPPC closed its casino. Under this agreement, SIGA agreed to pay SPPC \$216,667 monthly, subject to certain conditions, effective August 10, 2007 and continuing for 30 years.

22. COMPARATIVE INFORMATION

During the year, SIGA reassessed and concluded that it acts as the agent under the COA and OGOA for slot operations and online gaming operations, recognizing LGS’ primary responsibility for the delivery, conduct, and management of slot operations and online gaming operations. As such, the presentation of revenue related to slot operations and online gaming operations for the year ended March 31, 2023 has been adjusted and presented on a net basis. As a result, total revenue for the year ended March 31, 2023 was adjusted from \$292,614,195 to \$160,040,641 and total expenses were adjusted from \$166,594,265 to \$34,020,711 with no change to net income and comprehensive income. There were no impacts to the balance sheet or cash flows from operating, investing or financing activities.

Certain additional comparative information was adjusted to conform to the current year presentation.

He holds a Bachelor of Commerce from the University of Saskatchewan, and has CPA, CMA, CAFM and Chartered Director designations.

Tim Prosser – Senior Vice President of Finance & Administration

Tim Prosser was appointed Senior Vice President (VP) of Finance & Administration with the Saskatchewan Indian Gaming Authority (SIGA) in June of 2009. Tim holds CPA (CA), CIA, and ICD.D designations. Prior to joining SIGA, he worked in public practice and focused much of his time on internal auditing and consulting engagements. Tim has extensive experience working with a variety of businesses with respect to planning and executing a risk-based internal audit plan, the internal development of policies/procedures, strategic planning, budgeting, project and program management, enterprise risk management, and governance practices to support the achievement of targeted goals. Regardless of changes that occur in any organization, he is a firm believer that to create a long-term, sustainable business advantage and to remain competitive, the organization needs to know what its internal and external customers value and be able to aptly respond to both fronts. Tim was born in Calgary, raised in Saskatchewan, and he graduated from the College of Commerce at the University of Saskatchewan in 1999. He serves as the chair of the SIGA Pension Committee and has enjoyed, with the other committee members, seeing the membership interest grow, with more employees taking an active interest in their financial futures.

Lionel Tootoosis – Senior Vice President of Operations

Lionel provides leadership and strategic direction for SIGA's seven casinos and Marketing department to achieve SIGA's corporate mandate and adhere to its guiding principles. Lionel's passion for Operations and in the development and mentorship in others, comes from his personal commitment to continuous learning. Lionel has completed his Master of Business Administration (MBA) and Chartered Professionals in Human Resources (CPHR) designation and has a Gaming Management certificate from the University of Reno Nevada. A few career highlights, from his career spanning over 20 years includes a General Manager role, casino expansion project work, casino, and hospitality management, and providing HR professional services. Assuming the executive role in 2013, Lionel has led SIGA in several transformational organizational changes including taking over its Casino Management System (CMS) and technical operations from a third-party vendor, developing a regional casino model, and several change management initiatives to optimize organizational performance. Looking forward, Lionel plays an integral part in the organization's road map as brick-and-mortar operations and online gaming converge. Lionel is also an active community member with Board of Director roles with the CPHR Saskatchewan and with Indigenous Destinations Saskatchewan.

Pat Cook – Vice President of Corporate Affairs

Patricia Cook has served in the role of Vice President (VP) of Corporate Affairs for the Saskatchewan Indian Gaming Authority (SIGA) since 2005. She is a proud member of the Lac La Ronge Indian Band in Treaty Six Territory. Since joining SIGA, Pat's focus has been on Corporate Social Responsibility and Corporate Governance. OUR BOARD OF DIRECTORS

AUTHORITY

Under the First Nations Gaming Act, the Federation of Sovereign Indigenous Nations (FSIN) created the Saskatchewan Indian Gaming Authority (SIGA) on June 10, 1995. The FSIN entered into the Gaming Framework Agreement (GFA) with the Province of Saskatchewan, which established its exclusive access to casino markets in Saskatchewan. SIGA was designated as the proponent for casino development and was then incorporated under The Non-Profit Corporation Act, 1995 of Saskatchewan on January 11, 1996.

In September 2021, an amendment to the GFA was signed between the FSIN and the Province to establish the legal framework for a new online gaming site, which will be run by SIGA. In November 2021 SIGA became the sole operator of online gaming for the Province of Saskatchewan.

LOTTERIES AND GAMING SASKATHCEWAN

In 2023, the Province of Saskatchewan created Lotteries and Gaming Saskatchewan (LGS) as a Crown corporation to, amongst other things, conduct and manage lottery schemes and oversee the gaming sector in Saskatchewan pursuant to the Lotteries and Gaming Corporations Act from and after June 1, 2023. The launch of Lottery & Gaming Saskatchewan (LGS) now carries out the managerial oversight of all forms of gaming – replacing the roles previously carried out by three separate government ministries. SIGA's operating agreement relationships will now be with LGS while SLGA solely undertakes regulatory responsibilities.

SASKATCHEWAN LIQUOR AND GAMING AUTHORITY

The Province of Saskatchewan regulates SIGA through the Saskatchewan Liquor and Gaming Authority (SLGA) and the Indigenous Gaming Regulators (IGR). Accountable to the mandate set out by our shareholders.

OUR STRUCTURE

SIGA's gaming operations are a revenue source for Saskatchewan's First Nations, the Provincial Treasury and for the Community Development Corporations (CDCs). The CDCs distribute this money to charitable and non-profit community organizations. Profits generated from SIGA's operations are administered by the Province of Saskatchewan using the following breakdown: 50% to Saskatchewan First Nations, as distributed through the First Nations Trust; 25% to the CDCs; and 25% to the provincial government's General Revenue Fund.

The GFA amendment for online gaming established a revenue-sharing agreement between FSIN and the Province. The GFA establishes that profits generated by SIGA's online gaming operations are administered by the Province of Saskatchewan using the following breakdown: 50% to Saskatchewan First Nations, as distributed by the First Nations Trust and 50% to the provinces General Revenue Fund.

ROLE OF THE BOARD

On behalf of the Shareholders, the Board of Directors is responsible for the stewardship of the organization and is ultimately accountable for the management of the affairs and business of SIGA. In meeting this responsibility, the Board works with management to develop and approve the organization's strategic plan, annual budgets, and ensures that a communication policy is in place. The Board has established a terms of reference addressing its principal duties and responsibilities as a Board.

While focusing on the strategic direction of the organization, the Board delegates day-to-day operations to the President and CEO. The Board has resolved to adopt a policy governance model that empowers the President and CEO and holds them accountable for achieving the Board's directives, managing risks, complying with the Casino Operating Agreement and Board policies. In addition, the organization has a comprehensive Delegation of Authority Policy that governs the approvals and spending authorities for all managers consistent with their responsibilities, accountabilities, and budgetary allocations. The policy specifies those matters that require Board approval, including items specific to capital expenses (including renovation projects) planned over \$1,000,000; and unplanned over \$500,000, including any property management, land and building leases, and all other operating expenses and contracts.

All of its Directors are independent of management and no member of management serves as a Director. The Board held five meetings in the 2023-2024 fiscal year.

BOARD CHAIR – CHIEF REGINALD BELLEROSE

The Chair provides leadership by guiding the Board, coordinating its activities, and fostering relationships in the best interests of the organization. The Chair, while working closely with the President and CEO, retains an independent perspective to best represent the interests of SIGA, the Board, and the communities they serve. The Chair, on behalf of the Board, reports to the FSIN Gaming Commission and the FSIN Legislative Assembly on the affairs of the corporation, including all business aspects of casinos owned and operated by SIGA. The Chair, in turn, reports to the Board of Directors any recommendations brought forward by the Gaming Commission and the Assembly. The Board has delegated authority and assigned responsibility to the Board Chair for managing SIGA's relationship with the Shareholders as per policy B03-012 Board Chair – Terms of Reference.

DIRECTORS

The Board of Directors was comprised of 12 members for the 2023-24 fiscal year. The Federation of Sovereign Indigenous Nations and the Tribal Councils nominate these members (one per Tribal Council). There is one independent director appointed by the SIGA Board who has financial expertise. Only individuals registered under The Alcohol and Gaming Regulation Act, 1997 may be Directors of the Board.

As per the Casino Operating Agreement, the Board structure is comprised of no more than 13 Directors

The 2023-2024 Directors are as follows:

- Chief Reginald Bellerose
- Chief Marie-Anne Day
- Chief Tammy Cook-Se arson
- Walker-Pelletier
- Chief Darcy Bear
- Chief Michael Starr
- Chief Richard Ben
- Chief Lee Kitchemonia
- Carole Bryant
- Chief Larry Ahenakew
- Chief Calvin Sanderson
- Chief Jonathan Pasap
- Kevin Pooch
- Chief Bobby Cameron

COMMITTEE STRUCTURE

The Board may appoint any committees that it considers necessary for the efficient conduct of the affairs and business of SIGA and may prescribe the duties of any committee it appoints. It is important to note that assignment of responsibility by the Board to a committee does not absolve the full Board from responsibility for a committee's work or decisions. The Chair is ex-officio on all committees and may attend any meeting as deemed appropriate. All committees have established terms of reference governing their conduct and mandate.

The Board has three (3) committees with established terms of reference governing their code and mandate. These three committees are as follows: Audit and Finance, Governance (includes, Human Resource, Compensation and Ethics) and Strategic Affairs.

AUDIT AND FINANCE COMMITTEE – CAROLE BRYANT, CHAIR

The Audit and Finance Committee monitors the financial performance and internal controls of SIGA, assesses risk management strategies, and acts as a liaison between the internal and external auditors and the Board. This committee is responsible for the internal audit function and has retained an independent internal auditor who is accountable to the Board through the Audit and Finance Committee and has unimpeded access to corporate information and reports. SIGA's internal auditor is BDO. The fee for internal audit services was \$107,000 for this fiscal year. The committee monitors internal controls over the financial reporting process, auditing matters, and financial reporting issues. The SIGA audit is completed by the audit firm Deloitte LLP. The fee for the audit for the entire fiscal year is \$395,000. In addition to the statutory audit requirements, Deloitte LLP submits management letters that contain internal control recommendations and identify management and system control risks. Deloitte LLP has examined the corporation's financial statements and issued an auditor's report included in this annual report. Deloitte LLP did not provide any non-audit services this past fiscal year. The committee met four times in the 2023-2024 fiscal year.

STRATEGIC AFFAIRS COMMITTEE – DARCY BEAR, CHAIR

The Strategic Affairs Committee is mandated to ensure there are sufficient processes in place to develop, maintain and monitor the strategic plan, provide direction on shareholder and stakeholder relations and review and provide direction on new business opportunities. The Strategic Affairs Committee is also responsible to review, assess and monitor strategic level risk in SIGA's risk management plan and to ensure the appropriate risk mitigation strategies are in place. Further, the committee will review and provide recommendations on the Casino Operating Agreement and the Framework Agreement. The committee met four times in the 2023-2024 fiscal year.

GOVERNANCE COMMITTEE – MICHAEL STARR, CHAIR

The Governance Committee is responsible for overseeing the Authority's governance processes and the quality of its corporate governance, reporting to the Board concerning the same. The committee helps the Board deliver exemplary governance and human resource practices ensuring that SIGA's overall compensation structure provides appropriate incentives to employees at all levels. The committee ensures that SIGA is observing the highest standards of ethical business conduct. The Governance Committee monitors the functioning of the Board and committees of the Board and recommends governance issues to be discussed by the Board and Board committees. It is also responsible to ensure timely and complete information and decision-making at the Board and committee levels. The Governance Committee is responsible to ensure an annual review of the terms of reference of the Board and its committees. The committee coordinates the biennial evaluations of the Board, the Board Chair, and its committees.

The evaluation of the Board and its Committees was completed in 2024. The Governance Committee also oversees the annual evaluation of the CEO, which was completed in July 2023. The Board engaged Anand Parson and Reena Paul of Ecker, an independent third-party consulting firm, to conduct the evaluation of the Board, Board Chair, committees and the President and CEO. This committee met four times in the 2023-2024 fiscal year.

GOVERNANCE PRACTICES

The SIGA Board has formally adopted a governance model with generally accepted governance practices, and a suite of corporate governance policies. These policies ensure continuity of good governance practices and provide ongoing direction for the Board, its committees, and management. To ensure that SIGA continues to exemplify high standards of corporate governance, the Board has mandated that the Board's four mandate policies be reviewed and updated by PWC. For governance disclosure practices the board utilizes the guidelines advocated in the Ontario Securities Commission National Policy 58-201 and 58-101.

The Board substantially complies with its corporate governance policies. Unlike a publicly held entity, SIGA is not required to comply with these policies. The corporation, however, has adopted an approach of benchmarking itself to these standards.

SIGA's alignment with the CSA Corporate Governance Guidelines is set out in the following scorecard:

Reginald Bellerose, who is an independent Director, assumed the responsibilities of Chair in February 2015.

Yes

The Chair reports to the Board and ultimately to the shareholders and is responsible for presiding over meetings of the Board and ensuring the Board discharges its fiduciary and legal responsibilities. The Board has developed a Terms of Reference for the Chair in policy B03-012 which can be obtained from SIGA upon request.

Meeting of Independent Directors

NI 58-101FI, Section 3.3

3.3. The independent directors should hold regularly scheduled meetings at which non-independent directors and Members of management are not present.

This criterion is met by all current Board members being external directors. The terms of reference for the Board/committee require that the Board/committees meet regularly without management present. In-camera sessions are a standing agenda item.

Yes, SIGA substantially meets this requirement.

There were five Board meetings held in 2023-2024 and, during each regular meeting, in-camera sessions are a standing agenda item. Board practices that facilitate open and candid discussion allow for open and direct communication on issues that it may not be appropriate to discuss with representatives of management.

1.(e) Disclose whether the independent directors hold regularly scheduled meetings at which Members of management are not present, disclose the number of such meetings held in the previous 12 months; if such meetings are not held, disclose what the board does to facilitate open and candid discussion among independent directors.

The Board is satisfied that its governance practices foster full and open discussion and debate and that it retains the independence of mind to make decisions in the best interest of the corporation and the shareholder.

NI 58-101FI, Sections 1(g)

1.(g) Disclose the attendance record of each director for the board meetings held in the most recently completed financial year.

The Board held a minimum of five meetings in 2023-2024 which included its regular scheduled Board meetings, a strategic planning session and one special meeting.

**For the purposes of this report, members who attended meetings in part were considered to be present. Figures in brackets represent the maximum number for the period in which the individual was a board member.*

Board Mandate

NP 58-201, Section 3.4

3.4. The board should adopt a written mandate which explicitly acknowledges responsibility for the stewardship of the corporation and responsibility for;

(a) to the extent possible, satisfying itself as to the integrity of the CEO and executive and that they have created a culture of integrity throughout the organization;

(b) adopting a strategic planning process and approving at least annually a strategic plan which takes into account, among other things, the opportunities, and risks of the business;

(c) identification of the principal risks of the corporation's business and ensuring the implementation of appropriate systems to manage these risks;

(d) succession planning, including appointing, training and monitoring senior management;

(e) adopting a communications policy for the corporation;

(f) the integrity of the corporation's internal control and management information systems; and

(g) developing the corporation's approach to corporate governance, including a set of principles and guidelines specific to the corporation.

The Board has adopted a comprehensive written board mandate, policy no. B03-001 that complies with the elements required in this policy. Specific policies B03-008 Board Member Responsibilities and B03-012 Board Chair – Terms of Reference outline the primary duties and responsibilities of the Board, including the responsibility to function as stewards of the corporation.

a) The corporation has a comprehensive Code of Conduct and Ethics policy in place for the Board and senior management.

b) SIGA has a strategic plan in place for the Authority. SIGA is using a highly regarded model of planning known as the Balanced Scorecard. This performance management tool helps us ensure that operational activities and initiatives are aligned with the objectives of the company in terms of vision and strategy. The Board approved the strategic measures and targets for the company in the past fiscal year. The President reported on those measures on a quarterly basis. The results are also reported on in this annual report.

c) The corporation has established an integrated risk management function and the corporate "infrastructure" for the identification and management of the risks that could prevent SIGA from achieving its strategic goals and priorities. The Board delegates this responsibility to the Audit and Finance Committee.

d) The Board approves succession plans for the President and CEO and Senior Executive on an annual basis.

e) The Board has a Communications policy with processes in place to ensure effective communications with shareholders, stakeholders, and the public. The Annual General Meeting (AGM) of the Members was held in October 23, 2023.

f) A principal duty of the Board is to identify principal risks of the business in which the Corporation is engaged, to achieve a proper balance, between risks incurred and potential returns, and to oversee the implementation of appropriate systems to manage the risks. SIGA manages information risks through continual evaluation of the internal controls over financial reporting for new and existing systems.

g) The SIGA Board has formally adopted a governance model with generally accepted governance practices, and a suite of corporate governance policies. The Governance Committee is mandated to oversee corporation's governance practices. An audit of the corporation's governance practices is completed every three years with latest one completed in April 2018. Next one will be done in 2024-2025.

5. (a) Disclose whether the Board has adopted a written code of ethical business conduct for the Directors, officers and employees of the corporation; how to obtain a copy of the code; how the Board monitors compliance with the code; and reference any material change report in the most recent financial year relating to any conduct of a Director or officer that constitutes a departure from the code.

5. (a) A copy of the Directors, President and CEO Code of Conduct Policy can be obtained by contacting SIGA.

The Board Chair and the Governance Committee monitor compliance with the Code of Conduct Policy for the Directors and the President and CEO. The President and CEO monitors compliance with the Code of Conduct Policy for Senior Management. The Audit and Finance Committee is responsible for: monitoring and reviewing the financial performance and internal controls of the Authority; monitoring, reviewing and ensuring the adequacy of the Authority's risk management policies and procedures; enhancing the credibility and objectivity of the Authority's financial reports; and acting as a communication link between the Board of Directors, the external and provincial auditors and the internal auditor. The mandate of the Audit and Finance Committee shall be tabled at the annual general meeting for review by the members. The Governance Committee shall review the Authority's overall compensation programs and recommend compensation for the President and CEO and Senior Executive and ensure that the overall compensation structure provides appropriate incentives to management and employees at all levels.

For SIGA, Truth & Reconciliation is not just one day a year to reflect on the Residential School survivors and their families. It is that, but so much more. These are active calls to action that every organization and community must work on and strive for all year-round.

What Reconciliation Means to SIGA

As a First Nation organization, reconciliation is a major priority for SIGA – and really, it’s built into the fabric of who we are. SIGA was born out of a social need to create opportunities for First Nation people. Our operations support sustainable benefits for our First Nations – 100% of our net income goes back to those communities. We are a leader in providing Indigenous peoples equitable access to jobs, training, and educational opportunities.

We are committed to reconciliation and to fostering long-term partnerships that help Indigenous and non-Indigenous communities thrive, side by side.

Reconciliation - It’s a Call to Action

In order to redress this legacy of the residential school experience and recognize the intergenerational trauma that has resulted from decades of cultural loss, the Truth and Reconciliation Commission report made 94 recommendations for Calls to Action across a variety of sectors. Call to Action #92 specifically addressed the corporate sector:

“We call upon the corporate sector in Canada to adopt the United Nations Declaration on the Rights of Indigenous Peoples, a reconciliation framework and to apply its principles, norms, and standards to corporate policy and core operational activities involving Indigenous peoples and their lands and resources.”

TRUTH AND RECONCILIATION

SIGA's Commitment to Reconciliation

SIGA is committed to answer the Calls to Action and to helping create a future where Indigenous and non-Indigenous communities thrive, side by side.

As a First Nation owned and operated organization, SIGA has a priority focus on moving toward reconciliation and healing for our people. Our commitment to reconciliation is rooted in our reason for being – to bring improvement to the lives of our First Nation members through economic development and creating opportunity, while preserving and celebrating our First Nation culture.

Our purpose thus aligns well with the 92 Calls to Action – we are answering this call by:

- Creating employment – we continue to be a leader in providing Indigenous peoples equitable access to jobs, training and educational opportunities.
- Supporting First Nation economic development through the development of the gaming industry through partnership with local tribal councils in the management and operation of each of SIGA's seven casinos.
- Returning earnings to our owners, the 74 First Nations of Saskatchewan – as a non-profit organization, we give 100 percent of our net income back to our communities.
- Fostering long-term partnerships that help bridge gaps between Indigenous and non-Indigenous communities and organizations.
- Internal cultural training and opportunities for staff (Ex: Spiritual ceremonies by elders and cultural lessons such as tipi raisings).
- SIGA has also walked in several ways the path to reconciliation through placing substantial resources and emphasis on promoting First Nation culture internally and externally as well education on important reconciliation initiatives.

WĪTASKĒWIN – SHARING SUCCESS

Giving back is core to who we are at SIGA. Our value, WĪtaskêwin, guides us to share our land and our resources, and reminds us to give back to the communities where we work and play. SIGA Shares Success with organizations and communities across Saskatchewan and, in particular, First Nation youth and elders. We focus on the areas of children and youth programs, food security and literacy.

In the 2023-24 fiscal year, SIGA's Community Investments Program reinvested \$1.89 million into:

- Education and Training.
- Business and Tourism.
- Sports and Recreation.
- Health and Well-Being.
- Elders and Youth.

FIRST NATIONS STATUTORY DAYS OFF FOR EMPLOYEES

SIGA provides for its staff an additional paid days off each year to observe First Nation holidays that are not provincially legislated statutory days off such as Indigenous People's Day, Unity Day (Treaty Days), National Day for Truth & Reconciliation and Indigenous Veteran's Day.

RECONCILIATION EDUCATION AND CALLS TO ACTION

Monthly Orange Shirt Days

SIGA realizes that reconciliation is more than one day a year (observing National Day for Truth and Reconciliation on Sept. 30), and needs to be actively worked towards by every person and organization year-round. As part of our commitment to the 94 Calls to Action by the Truth and Reconciliation Commission report, and to remember and honour residential school survivors and their families, SIGA declared the last Friday of each month Orange Shirt Day for employees at all sites.

Roc Your Mocs (Week of Nov. 10-16th, main day November 15th)

During the Rock Your Mocs, people wear their moccasins, take a photo, create a video or story, add the hashtag #ROCKYOURMOCS and upload it to social media. This creates “an online photo album” for the world to see and enjoy. Rock Your Mocs is wherever you are and, individuals, organizations, businesses, schools, museums and tribes are taking the initiative to create their own independent local events too!

SIGA puts out communications awareness during this time and encourages staff to ‘rock their mocs’ on November 15th and participate in the day taking photos with their moccasins.

International Women's Day (March 8)

It's a global day to recognize and celebrate women's and girls' social, economic, cultural, and political achievements. It's also a time to raise awareness of the progress made towards achieving gender equality and the work remaining to be done.

SIGA is proud to have a strong representation of women within our workforce: 50.7 per cent of all SIGA employees and 50 per cent of SIGA's management team are women, which includes four General Managers across seven SIGA Casinos.

In 2023-2024, International Women's Day had the theme of 'Inspire Inclusion.' When we inspire others to understand and value women's inclusion, we forge a better world. One of the key pillars of Inspire Inclusion is the promotion of diversity in leadership and decision-making positions.

Women, especially those belonging to underrepresented groups, continue to face barriers when seeking leadership roles. By championing inclusion, organizations and communities can harness the full potential of diverse perspectives, leading to better decision-making and innovation.

National Day of Awareness for Missing and Murdered Indigenous Women, Girls and Two-Spirited People MMIWG2S (Red Dress Day) – May 5.

Red Dress Day honours and brings awareness to the thousands of Indigenous women, girls and two-spirit people who have been subject to disproportionate violence in Canada.

Red Dress Day started as REDress project established by Indigenous artist Jaime Black to focus on the issue of missing and murdered Indigenous women across Canada and United States in 2010. The dresses are empty, so that they evoke the missing women who should be wearing them.

As May 5 fell on a Sunday in 2024, the SIGA sites planned their own activities for staff. Back-of-house staff were encouraged to wear red on the day selected by their casino, with an option for traditional dress such as ribbon shirts or skirts.

Moose Hide Campaign – May

The Moose Hide Campaign began as a BC-born Indigenous-led grassroots movement to engage men and boys in ending violence towards women and children. It has since grown into a nationwide movement of Indigenous and non-Indigenous Canadians from local communities

A cornerstone of the Moose Hide Campaign is the moose hide pin. Wearing the pin signifies your commitment to honour, respect, and protect the women and children in your life and speak out against gender-based and domestic violence.

SIGA Corporate Affairs distributed communications awareness and moose hide pins to all employees and encouraged each site to educate their staff on the day and take a staff photo with their employees wearing the moose hide pins in a show of support.

National Indigenous Peoples Day (June 21)

June is designated as National Indigenous History Month. The month was first designated by the House of Commons in 2009. It's described by the Government of Canada as "a time to honour the stories, achievements and resilience of Indigenous Peoples."

SIGA observed National Indigenous Peoples Day on Friday June 21, 2024, as a statutory holiday. We encouraged employees over the month of June and on that Day to participate in activities and events being held throughout the province that celebrate and recognize First Nations, Métis, and Inuit cultures.

Cultural Teachings and Events

For SIGA, culture is embedded in who we are as a First Nation organization. A few ways SIGA facilitates culture is through:

- Purchasing teepees for each SIGA Casino & Central Office for events and teepee raising demonstrations.
- A Spiritual Room at each SIGA location is available to staff.
- Elder Services provided on site.
- Treaty share moments and land acknowledgements during meetings and events.
- Culturally grounded counselling and grief services.
- Learning – optional Indigenous Canada e-learning available to all staff through the employee Learning Portal.
- Eagle staffs (brought to events, smudged and taken to ceremony).
- Regular ceremonies held to support employees and build cultural understanding – sweat, traditional feast and other ceremonies as needed.
- Employee recognition and Long Service milestones commemorated with star blanket ceremonies.
- Beading and ribbon skirt/shirt workshops.
- Traditional hunting/gathering or land-based teachings. Gathering smudge for use.
- SIGA is also committed to the return of First National Cultural Events such as powwows, round dances and hand game tournaments which were successfully held at SIGA Casinos over the past year.

RETURN TO
SIGA POW WOWS

RETURN TO SIGA POW WOWS

SIGA made its return to the Saskatchewan pow wow scene in 2023, for the first time in three years. The pow wows had been on hiatus due to COVID-19.

The Northern Lights Casino Thanksgiving Pow Wow was held in Prince Albert at the Art Hauser Centre from October 6-8, 2023.

The Dakota Dunes Casino New Year Pow Wow also made its return. It was held at the SaskTel Centre in Saskatoon on January 5-7, 2024.

Project ᐃᐱᐱᐁᐃᐁ Ohpikiwin

The ERP Transformation

ENTERPRISE RESOURCE PLANNING (ERP) - PROJECT OHPIKIWIN

SIGA has kicked off a key initiative that will support our strategic direction to be a leading First Nation organization. Project Ohpikiwin (Ohpikiwin is a Cree word meaning “Growth”) is a transformative project that will replace the current Finance and Human Resources systems with a modern enterprise platform called Oracle Fusion. This project will benefit all employees at SIGA, as the upgraded system is designed to automate and streamline manual business processes, provide employees with a single source of data for reporting and analytics, and improve usability through intuitive design.

An Information Hub was created by the Project team, that includes project updates and information for employees as the project progresses during SIGA's 2024-25 fiscal calendar.

CENTRAL OFFICE BRANDING PROJECT

In 2023-2024, SIGA Corporate Affairs completed a branding project of the 1st and 2nd Floors of SIGA's Central Office, located in Saskatoon.

This project was several years in planning and development, and we wanted when employees and guests came into the building to learn more about SIGA's history and who we were an installation.

First Floor Installations

Upon entering the Central Office building, there is a SIGA Story Wall on the left feature wall, which chronicles key historical moments of the organization.

To the right side is SIGA's vision statement.

At the end of the Front Office is a collage of all of SIGA's casino properties behind front reception. Beside the elevators is a plaque with SIGA's Mission Statement. SIGA's Guiding Principles lead you up the stairs onto the 2nd Floor.

Second Floor Installations

Upon entering the 2nd Floor, guests are greeted with a Treaty Map of Canada, with a focus on Saskatchewan and all the Treaties that make up the province.

Going down the hall towards the Main Boardroom, an installation commemorating SIGA's 2009 Conference Board of Canada Spencer Stuart Award in Governance [Non-Profit category] catches your eye.

Closer to the boardroom, there is a Board of Directors installation explaining the important role of the Board and showcasing SIGA's Board of Directors.

Across from the Boardroom is a waiting area alcove featuring the magazine cover of SIGA as Sask Business of the Year with a quote from SIGA President & CEO Zane Hansen.

To the left is a plaque of SIGA's Guiding Principles and SIGA's branding elements complete the wall.
